"Protect the Public by Ensuring that Gambling is Legal and Honest"

TO: Card Room Licensees

SUBJECT: RESPONSIBILITY TO REPORT

Your Responsibility to Report Illegal Activity

It is your responsibility as a licensee to report and stop illegal activities. If you observe or suspect such activities occurring at your premises or any other location, please contact our nearest field office or report online at 'www.wsgc.wa.gov' by clicking on the link "Report a Violation" and we will investigate the matter.

Self Reporting Violations

We will not bring administrative charges against a licensee that reports a violation to commission staff within 24 hours of finding it unless the director determines there are extenuating circumstances. You may accomplish this by leaving a voice or email message with the area agent and immediately correct the violation. If we determine the violation cannot be immediately corrected, you must submit a plan to correct the violation by a date agreed to by us. This section does not apply if you engaged in criminal activity or we find the violation before you report it.

Ongoing Investigations and Possible Penalties

We will aggressively pursue any suspected bookmaking or other illegal activities, and we will work closely with local law enforcement to end those activities.

If you or your employees are involved in any illegal activities or allow them to continue at your business, we will have no choice but to take appropriate actions. These actions may result in the loss of your license(s) and criminal prosecution.

Monitoring Compliance Through Unannounced Visits

Our agents will continue to make announced and unannounced visits to licensed premises to monitor compliance with our rules and regulations.

Our mission is to keep gambling legal and honest. Thank you for your cooperation in helping us meet that mission.

We look forward to continuing to work with you in the future. Together, we can provide an operating environment that promotes the highest possible level of integrity for authorized gambling activities and discourages illegal activities.

"Protect the Public by Ensuring that Gambling is Legal and Honest"

TO: House-Banked Card Room Applicants

SUBJECT: HOUSE-BANKED CARD ROOM APPLICATION PROCESS

As a matter of public policy, we strive to conduct business as simply as possible and to efficiently deliver our services. We also take great pride in our commitment to public service.

In some cases, our effort to be great providers of public service has had the unforeseen impact of lengthening the licensing approval process. Specifically, we have accepted incomplete applications for House-Banked Card Rooms with the understanding that outstanding items were to be completed relatively quickly. Unfortunately, in some cases, these incomplete applications have caused us to conduct the same pre-licensing investigation over and over again as time passes and/or owners, financing, and facility conditions change.

Accordingly, we have determined it is in the best interest of all parties to accept only complete applications that are ready for our approval process. Washington Administrative Code (WAC) 230-03-035 says the Commission will only consider those applications that have been fully completed. The underlying authority for the code is Revised Code of Washington (RCW) 9.46.070. If you submit an application that is not complete, please know that WAC 230-03-035 requires the missing information be submitted within (30) thirty days or the application may be administratively closed.

In order to prevent delays in your licensing process, ensure all application forms have been filled out completely and accurately and know that at a minimum, we will look for the following:

- 1) The location/facility must be near completion. Equipment installation and/or minimal finishing work to be completed are permissible.
- 2) All lease agreements must be in place.
- 3) All financing must have been received.
- 4) All investors and owners must be established.
- 5) All organization taxes are current
- 6) If you are purchasing the business assets and/or the building, all applicable documents must be signed and executed. We will not approve contingency sales of business assets or premises for House-Banked Card Rooms. We may process an application for contingency sale, but the sale must close prior to the Commission issuing a license.

WAC 230-03-161 Applying for a combination license. (1) Charitable or nonprofit organizations may apply for a combination license to operate one or more of the following gambling activities:

- (a) Authorized nonhouse-banked card games without collection of a fee to play; and
- (b) Raffles with gross gambling receipts up to two thousand dollars during the license year; and
- (c) Bingo with gross gambling receipts up to twenty-five thousand dollars during the license year; and
- (d) Amusement games, owned and operated by the organization, with gross gambling receipts up to seven thousand five hundred dollars during the license year.

(2) You must apply for a separate license if any of the gambling activities in subsection (1)(b) through (d) of this section you operate will exceed the gross gambling receipt limits specified during your license year.

WAC 230-05-104 Defining "base license fee." (1) "Base license fee" is the fee you pay us when you:

- (a) Apply for an organization license or permit; or
 - (b) Renew your organization's license or annual permit.
- (2) "Base license fee" is the minimum annual license fee a licensed organization or permit holder will pay for operating an authorized activity.

WAC 230-05-106 Defining "maximum annual license fee." "Maximum annual license fee" is the most you will pay to operate an authorized activity for the license year, which includes the:

- (1) Base license fee; and
- (2) Quarterly license fees.

WAC 230-05-122 Calculating quarterly license fees. (1) The quarterly license fee is calculated based on the gross gambling receipts from the previous quarter as reported on your quarterly license report.

(2) Each license year, the quarterly license fees will be offset by the base license fee. (For example, if your base license fee is sixty-five dollars and your quarterly license fee is forty-five dollars for the first quarter, no additional amount is due for the first quarter. You would offset any future quarterly license fees by the remaining twenty dollars of your base license fee.)

WAC 230-05-124 Quarterly license reports and license fees. Licensed organizations must submit quarterly license reports. Licensed organizations must also submit quarterly license fees to us, if applicable, for each licensed gambling activity beginning with the first quarter of their license year. (6) Be submitted for any period of time the license was valid, even if there was no gambling activity or the gambling license was not renewed.
