WAC 230-15-671 Jackpot prizes. House-banked card room licensees may offer and operate "jackpot" prizes with approved house-banked card games.

(1) "Jackpot" prizes are cash prizes displayed at house-banked card game tables. Jackpot prizes are won by achieving a predetermined specific hand. There are two types of "jackpot" prize schemes:

(a) **Progressive jackpots:** A jackpot prize which increases in real-time based on each wager placed. Licensees must:

(i) Collect players' wagers to allocate towards a separate progressive jackpot prize. Approved game rules determine how a progressive jackpot accrues; and

(ii) Adjust the master games report in the prescribed format to reflect daily accrued prizes; and

(iii) Act only as the custodian of the progressive jackpot funds; and

(iv) Maintain no legal right to funds collected for the posted progressive jackpot prize or reserve funds which have not been recorded as gross receipts; and

(v) Strictly account for all funds collected.

(b) **House jackpots:** A fixed prize amount funded by the licensee that does not accrue or incrementally increase each time a wager is made to any guaranteed player fund or prize. Licensees must:

(i) Follow approved game rules related to house jackpots; and

(ii) Not adjust the master games report for house jackpot prizes; and

(iii) Award the posted house jackpot prize to each player achieving the predetermined winning hand; and

(iv) Conspicuously post the following at the table:

(A) The fixed prize amount; and

(B) A disclosure defining the jackpot prize as a house jackpot which involves no player funded money; and

(C) A disclosure to the players stating that the house jackpot may be removed without prior notice.

(2) Only progressive jackpots may use approved gambling equipment where the jackpot meter shows a real-time incrementally increasing progressive jackpot prize amount.

(3) House jackpots may use approved gambling equipment. Displayed prize amounts may only be adjusted manually by the licensee.
