**SHOALWATER BAY INDIAN TRIBE  
AND THE  
STATE OF WASHINGTON  
CLASS III GAMING COMPACT**

**INTRODUCTION**

THIS COMPACT is entered into pursuant to the Indian Gaming Regulatory Act of 1988, Pub.L. 100-497, codified at 25 U.S.C. §§ 2701-2721 and 18 U.S.C. §§ 1166-1168 (hereafter "IGRA" or "Act").

**PARTIES**

THIS TRIBAL-STATE COMPACT is made and entered into by and between the Shoalwater Bay Indian Tribe (hereafter "Tribe"), federally-recognized as an Indian Tribe, possessed of all sovereign powers and rights thereto pertaining; and the STATE OF WASHINGTON (hereafter "State"), as a sovereign state of the United States, with all rights and powers thereto pertaining.

**DECLARATION OF POLICY AND PURPOSE**

IGRA provides for the negotiation of compacts between States and Tribes to govern the conduct of Class III gaming. Indian tribes have rights under IGRA to regulate gaming activities on Indian lands if the gaming activity is not specifically prohibited by Federal law and is conducted within a state which does not, as a matter of criminal law and public policy, prohibit such gaming activity. The overarching policy of the Act is to provide a framework for the operation of gaming by Indian tribes as a means of promoting Tribal economic development, self-sufficiency and strong Tribal governments, as well as providing a basis for the regulation of gaming by an Indian tribe adequate to shield it from organized crime and other corrupting influences, to ensure that the Indian tribe is the primary beneficiary of the gaming operation and to assure that gaming is conducted fairly and honestly by both the operator and players. The terms and conditions set forth below to regulate Class III gaming conducted by the Tribe have been agreed to pursuant to that congressional mandate.

It is the stated intention of the parties hereto to foster full cooperation between the Tribe and the State on the basis of a shared concern for the welfare and protection of all the members of the Tribe and citizens of the State as a result of gaming on the Shoalwater Bay Indian Reservation. Through the partnership of this Compact, the parties desire to further the purposes of IGRA for the benefit of the Tribe and the protection of the State, by creating a cooperative means through which the Tribe may lawfully conduct Class III gaming activities on the Shoalwater Bay Indian Reservation in conjunction with the State, which permits such gaming for any purpose by any person, organization or entity. To that end, this Compact defines the manner in which laws regulating the conduct of the Tribe's Class III gaming activities are to be applied in order that the respective Tribal and State interests may be met.

The Tribe and the State have mutually agreed, within the parameters established by the Act, to the following provisions governing the conduct of Class III gaming activities on the lands of the Tribe, which are designed to (a) protect the health, welfare and safety of the citizens of the Tribe and the State,

(b) develop and implement a means of regulating Class III gaming on the Shoalwater Bay Indian Reservation in order to ensure the fair and honest operation of such gaming, (c) minimize the possibility of corruption or illegal practices in conjunction with such activities, and (d) maintain the integrity of Class III gaming within the State.

The policy of the State, as set forth in Chapter 9.46 RCW, is to allow limited and highly regulated gaming for nonprofit organizations, and to restrain persons from seeking profit from professional gambling activities. The provisions of Chapter 9.46 RCW and Title 230 WAC regulate gambling activities; the provisions of Chapter 67.16 RCW and Title 260 WAC authorize and regulate horse racing activities, including pari-mutuel satellite wagering, in Washington State. The State agrees that the Tribe is authorized, as a result of the provisions of IGRA and the terms of this Compact, to engage in the Class III gaming activities expressly permitted herein.

The Tribe and the State believe the conduct of Class III gaming under the terms and conditions set forth below will, from a regulatory perspective, benefit the Tribe and the State and protect the members of the Tribe and the citizens of the State consistent with the objectives of IGRA.

NOW, THEREFORE, in consideration of the foregoing and the mutual benefits to be derived, the Tribe and State do enter into this Compact as provided for herein.

The maximum number of Class III gaming stations shall not exceed fifty (50) plus, at the option of the Tribe, two (2) additional gaming stations ("the nonprofit stations"). The proceeds from the nonprofit stations shall be dedicated to support nonprofit organizations and their activities located within Pacific County or the State of Washington. For the purposes of the determination of "proceeds" from the nonprofit stations only, proceeds shall mean the net win of the nonprofit stations less the pro rata cost of regulation and operation, specifically excluding capital costs. The net win from the nonprofit stations is not subject to the community contribution established under Section XIV. C. of this Compact. Therefore, the proceeds shall equal the net win of the nonprofit stations less the costs of regulation and operation, divided by the fifty two (52) gaming stations. The Tribal Gaming Agency shall set forth regulations concerning the types of bona-fide nonprofit organizations and/or the types of projects of such organizations which shall be supported by the nonprofit station. These organizations may not include nonprofit organizations affiliated with the Tribe.
- I. Wagering Limitations. Wager limits shall not exceed five hundred dollars (\$500).

- J. Hours of Operation. Operating hours may not exceed one hundred fifty-six (156) hours per week. PROVIDED, that upon twenty (20) days written notice to the Tribal Gaming Agency and the State Gaming Agency, the Tribe may, not more than three (3) times in each facility in any twelve (12) month period, conduct operations for up to one hundred and sixty (160) hours per week. This shall be accomplished only by shifting hours or portions of hours from other weeks and consequently reducing the corresponding period of operation during such weeks.
- K. Ownership of Gaming Facility and Gaming Operation. The Gaming Operation, including the Gaming Facility, shall be owned and operated by the Tribe. The Tribe may, if it chooses, contract for management of the Gaming Facility and Gaming Operation. Any such contract shall subject the manager to the terms of this Compact, including annual certification and licensing.
- L. Prohibited Activities. Any Class III gaming activity not specifically authorized in this Compact is prohibited. The parties understand that the Tribe will continue to operate Class III gaming activities prior to the effective date of this Compact. The parties mutually agree to pursue a smooth transition without any time that the facility would be shut down or closed to the public, other than the restriction on hours set forth above.
- M. Age Limitations. No person under the age of eighteen (18) shall participate in any Gaming Operation, or be allowed on the Class III gaming floor authorized by this Compact during actual hours of operation. Persons between the age of eighteen and twenty one years of age may patronize and participate in Class III gaming activities offered by the Tribe in its gaming facility, so long as such patrons do not purchase or consume alcoholic beverages on the premises.
- N. Prohibition on Firearms. The possession of firearms by any person within the Gaming Facility shall be strictly prohibited, and the Tribal Gaming Agency shall post a notice of this prohibition near the entrance to the Gaming Facility. This prohibition shall not apply to authorized agents or officers of the Tribal Gaming Agency, the Shoalwater Bay Indian Tribe Police Department, State Gaming Agency, or state and local law enforcement agencies authorized by law or by a co-operative, mutual aid or cross deputization agreement.

#### IV – LICENSING AND CERTIFICATION REQUIREMENTS

- A. Gaming Facility. The Gaming Facility authorized by this Compact shall be licensed by the Tribal Gaming Agency in conformity with the requirements of this Compact prior to commencement of operation, and annually thereafter to verify its conformity with the requirements of this Compact. The Tribe's operation of Class III gaming activities in the absence of a Tribal/State Compact prior to the effective date of this Compact shall not be considered in the State Gaming Agency's determination of conformity pursuant to this provision. Verification that such requirements have been met shall be made by the State Gaming Agency and Tribal Gaming Agency and, with respect to any satellite wagering facility and operation only, the Washington Horse Racing Commission, through a joint pre-operation inspection scheduled at least thirty (30) days before this Compact becomes effective. If the Gaming Facility fails to meet such requirements the Tribal or State Gaming Agency must send a written and detailed non-compliance letter and report to the Tribe and Gaming Facility manger, if any, within seven (7) working days after completion of the inspection. If the Tribal and State Gaming

Agencies do not agree on whether the Gaming Facility meets the requirements, the agencies will meet within seven (7) working days from receipt of the non-compliance letter and work together to resolve concerns. If a dispute regarding this inspection cannot be resolved by the gaming agencies within sixty (60) days, the parties may seek resolution pursuant to Section XII.C of this Compact. This Compact shall not become effective unless and until the Tribal Gaming Agency and the State Gaming Agency agree that the facility meets the requirements for licensing. The actual costs of final inspection of the facility under this Section shall be the responsibility of the Tribe.

- B. Gaming Employees. Every gaming employee shall be licensed by the Tribal Gaming Agency and shall be certified by the State Gaming Agency prior to commencement of employment, and annually thereafter. The Tribal Gaming Agency may immediately issue a license if the employee has a current State Gaming license or Class III gaming certification issued by the State Gaming Agency, the State Gaming Agency certifies that the prospective employee is in good standing, and the employee consents to disclosure of records to the Tribal Gaming Agency of all information held by the State Gaming Agency. If Class II and Class III table games are combined in the same room in the Gaming Facility the parties agree that this could impact the regulatory scheme established under this Compact. In such event, the Class II table gaming employees in such room shall be certified as if they were Class III gaming employees. This provision shall not be applicable to employees only engaged in activities related to bingo, pull-tabs, or punchboards. Employees of the Gaming facility at the time of the transition must be certified by the State Gaming Agency before working in the Gaming Facility subsequent to the transition. The State Gaming Agency shall use best efforts to expedite the certification process for all employees affected by this provision. Employment at the Gaming Facility prior to the effective date of the Compact shall not be grounds upon which State certification may be denied.
- C. Manufacturers and Suppliers of Gaming Services. Each manufacturer and supplier of gaming services shall be licensed by the Tribal Gaming Agency and shall be certified by the State Gaming Agency prior to the sale of any gaming services to the Tribe. If a supplier or manufacturer of the gaming services or goods is currently licensed or certified by the State of Washington to supply goods or services to any other tribe in the state, it shall be deemed certified to supply the same goods or services to the Tribe for the purposes of this Compact. The licensing and certification shall be maintained annually after the initial certification. Professional legal and accounting services shall not be subject to the certification and licensing requirements of this Compact. In the event a manufacturer or supplier provides or intends to provide less than \$25,000 worth of gaming services or goods annually, the State certification and Tribal licensing requirements may be waived upon the mutual agreement of the Tribal and State Gaming Agency.
- D. Financiers. Any party who extends or intends to extend financing, directly or indirectly, to the Gaming Facility or Gaming Operation shall be subject to the annual State certification and licensing requirements of the Tribal Gaming Agency. Such party shall be required to obtain State certification prior to completing the financing agreement, and annually after as long as the financing agreement is in effect. These licensing and certification requirements do not apply to financing provided by a federally regulated commercial lending institution, the Shoalwater Bay Tribal government, or the Federal Government. The party shall fully disclose the source of all funds required to be disclosed under and in accordance with IGRA and the Tribe shall provide a

copy of such disclosures to the State Gaming Agency. If a disclosure regards satellite wagering facilities and activities, the Tribe shall also send a copy to the Washington Horse Racing Commission. Nothing herein shall be interpreted as preventing the Tribe from satisfying debts to financiers incurred prior to the effective date of the Compact so long as such financier has no access to the Gaming Facility or involvement with any management decisions in the absence of State certification.

- E. Key Personnel List. Prior to the transition and annually thereafter, the Tribe shall provide the State Gaming Agency with information listing personnel who are key personnel in the Gaming Operation.

## V - LICENSING AND CERTIFICATION PROCEDURES

- A. Procedures for Tribal License Applications and State Certification. Each applicant for a Tribal gaming license and for State certification shall submit the completed application along with the required information to the Tribal Gaming Agency. Each completed application shall be accompanied by the applicants' fingerprint card(s), current photograph, and the fees required by the State and Tribal Gaming Agencies. Upon receipt, the Tribal Gaming Agency will transmit to the State Gaming Agency a copy of all application materials for each applicant to be certified, together with a set of fingerprint cards, a current photograph, and the fees required. For applicants who are business entities, these provisions shall apply to the principals and spouses of such entities.
- B. Background Investigations of Applicants. Upon receipt of a completed application, attachments and the fee required for State certification, the State Gaming Agency shall conduct the necessary background investigation to ensure the applicant is qualified for State certification. The State Gaming Agency shall expedite gaming certification requests submitted by the Tribe. Upon completion of the necessary background investigation, the State Gaming Agency shall either issue a State certification to the applicant with a copy to the Tribal Gaming Agency, or deny the application based on criteria set forth in this Compact. If the State Gaming Agency issues a State Certification to the applicant, the State shall forward a copy of the certification to the Tribal Gaming Agency. If the application for certification is denied, a statement setting forth the grounds for denial shall be forwarded to the applicant in accordance with the provisions of Chapter 230-50 WAC with a copy forwarded to the Tribal Gaming Agency. After twenty-four (24) months of operation, and upon the Tribe's demonstration of its capacity to conduct background investigations meeting Compact standards for certifications, the State and the Tribe shall meet and confer regarding the possibility of transferring to the Tribe the primary responsibility for the conduct of background investigations for its tribal member applicants. State certification of tribal member applicants shall still be required even if the primary responsibility for conducting background investigations is transferred to the Tribe, but certification fees will be adjusted to reflect the primary background investigation responsibility of the Tribe. The State shall not apply to any applicant for certification required under this Compact a more rigorous standard than that actually applied in the approval of state licenses or certifications in non-Tribal gaming activities regulated by the State. All background materials compiled by the State Gaming Agency in connection with the background investigation of any applicant for certification shall be available to the Tribal Gaming Agency at the State Gaming

Agency office upon request, subject to any constraints imposed by the State Gaming Agency's accreditation as a law enforcement agency and status as a member of Law Enforcement Intelligence Unit.

C. Grounds for Revocation, Suspension or Denial of State Certification. The State Gaming Agency may revoke, suspend or deny a State certification under the provisions of RCW 9.46.075, and rules promulgated thereunder, for any reason or reasons it deems to be in the public interest. In addition, these reasons shall include, but shall not be limited to when an applicant or holder of certification or principal of an entity:

1. Is determined to be a person who because of prior activities, criminal record, if any, or reputation, habits and associations poses a threat to the effective regulation of gaming or creates or enhances the chances of unfair or illegal practices, methods and activities being used in the conduct of the gaming activities permitted pursuant to this Compact;
2. Has violated, failed or refused to comply with the provisions, requirements, conditions, limitations or duties imposed by any provision of a Tribal-State Compact.
3. Has failed to provide any information reasonably required to investigate the application for state certification or to reveal any fact which the applicant or holder knows or should reasonably know or is material to such application, or has furnished any information which is untrue or misleading in connection with such application.
4. Has had a Tribal or State gaming license revoked or denied during the twelve (12) months prior to the date the Tribe received the application; is currently on probation imposed by any jurisdiction; or has demonstrated a willful disregard or failed to comply with the requirements of any gaming regulatory authority in any jurisdiction, including offenses that could subject the individual or entity to suspension, revocation or forfeiture of any gaming license. For the purpose of reviewing any application for a state certification or for considering the denial, suspension or revocation of any state certification, the State Gaming Agency may consider any prior criminal conduct or current probationary status of the applicant or holder of certification and the provisions of RCW 9.95.240 and of chapter 9.96A RCW shall not apply to such cases.
5. Notwithstanding anything herein to the contrary, it shall not be grounds for suspension, revocation or denial for the Applicant to have been involved in the operation of Class III gaming activities in the absence of a tribal/state compact. Nothing herein prevents the State from suspending, revoking or denying the license to such an Applicant on other grounds.
6. Notwithstanding anything herein to the contrary, in the absence of other violations, it shall not automatically be grounds for revocation, suspension or denial for an Indian person from a federally recognized Indian Tribe to have been charged or convicted under state law of the following non-gambling related offenses if the charge or conviction occurred prior to United States Supreme Court rulings upholding state jurisdiction over Indians for such offenses as, but not limited to: (1) fishing or hunting offenses; (2) cigarette, fireworks or alcohol sales offenses; or (3) cases involving the exercise of trust or treaty rights. In the absence of other

violations, activities or factors which would warrant denial, revocation or suspension, these Indian persons shall not be barred solely as a result of such activities from certification.

7. The State Gaming Agency will consult with the Tribal Gaming Agency prior to denying certification to such an applicant who does not meet the criteria for certification. For enrolled members of the Tribe who are applicants for Class III gaming certification, and licensing, the State and Tribal Gaming Agencies may waive, by mutual agreement, through a provisional or conditional certification, certain criteria for such enrolled tribal members if the waiver does not pose an appreciable risk to the public or the lawful operation of the Gaming Facility. If the Tribe can show extenuating circumstances why an enrolled tribal member who does not meet all criteria should be further considered for a provisional or conditional certification, the Tribal and State Gaming Agencies may agree to a temporary certification, based on specific conditions and a further detailed review of the applicant. Additional fees may be required to maintain a conditional or provisional certification, which the Tribe agrees to pay.

- D. Right to Hearing for Revocation, Suspension, or Denial of State Certification. Any applicant for State certification, or holder of a State certification shall be entitled to notice and a full hearing on any action by the State Gaming Agency which may result in the revocation, suspension, or denial of State certification. The notice and hearing will be conducted in accordance with the procedures contained in the applicable provisions of Chapter 9.46 RCW, Chapter 34.05 RCW and Chapter 230-50 WAC. The State may, at its discretion, defer such actions to the Tribal Gaming Agency. Nothing herein shall prevent the Tribal Gaming Agency from invoking its own disciplinary procedures and proceedings at any time.
- E. Denial, Suspension, or Revocation of Licenses Issued by Tribal Gaming Agency. The denial, suspension, or revocation of any Tribal gaming license by the Tribal Gaming Agency shall be in accordance with Tribal ordinances and regulations governing such procedures and the grounds for such actions shall not be less stringent than those of Section V. C. The Tribe shall notify the State Gaming Agency of any determination under this paragraph.
- F. Duration and Renewal of Tribal Issued Licenses and State Certifications. Any Tribal license or State certification shall be effective for one year from the date of issuance of the license, certification, or temporary license or certification, unless otherwise revoked or suspended. A licensed or certified employee or entity that has applied for renewal may continue to be employed under the expired Tribal license or State certification or license until the Tribal Gaming Agency or State Gaming Agency takes action on the renewal application or the certification or license is suspended or revoked. Applicants seeking renewal of license or certification shall provide information updating originally submitted information as requested, on the appropriate renewal forms, but shall not be required to re-submit historical data already available to the Tribal Gaming Agency or the State Gaming Agency. Additional background investigation shall be required if new information concerning the applicant's continuing suitability or eligibility for a Tribal license, or a State certification is discovered by either the Tribal or State Gaming Agency. The State shall forward a copy of any updated information to the Tribe, subject to any constraints imposed by the State Gaming Agency's accreditation as a law enforcement agency and status as a member of Law Enforcement Intelligence Unit. Should

any renewal application be denied, the State shall send a copy of the statement sent to the applicant setting forth the grounds for the non-renewal of the certification.

- G. Identification Cards. The Tribal Gaming Agency shall require all gaming employees to wear, in plain view, identification cards issued by the Tribal Gaming Agency which include photo, first name and an identification number unique to the individual Tribal license and/or certification which shall include a Tribal seal or signature, and a date of expiration.
- H. Exchange of Tribal Licensing and State Certification Information. In an effort to ensure a qualified work force in all areas of Class III gaming, and in all types of gambling authorized under the laws of the State, upon completion of any administrative action or legal proceeding against a Tribal license or State certification, the final disposition shall be forwarded to either the Tribal Gaming Agency or the State Gaming Agency and maintained as part of both agencies' permanent licensing records.
- I. Fees For State Certification. The fees for initial and renewal State certification shall be determined pursuant to WAC 230-04-204 for gaming employees, WAC 230-04-119 for Service Suppliers, and WAC 230-04-203 for manufacturers and distributors. Provided, should actual costs incurred by the State Gaming Agency exceed the stated fees, those costs will be assessed to the applicants during the investigation process. Payment in full to the State Gaming Agency will be required prior to beginning the investigation for the issuance of State certification. Notwithstanding any other provision of this Compact, the State Gaming Agency may modify any of the above fees consistent with like fees charged by the State Gaming Agency for non-Compact gaming elsewhere in the State by giving the Tribe sixty (60) days notice of intent to modify fees. Should a dispute arise under this Section it shall be resolved pursuant to Section XII.C of this Compact.
- J. Fees For Tribal License. The Tribal Gaming Agency shall establish the fees for Tribal gaming licenses.
- K. Temporary Certification of Gaming Employees. After the State and Tribal Gaming Agencies have agreed that the Gaming Facility meets the requirements for licensing as set forth in Section IV. A. above, the State Gaming Agency shall, upon request of the Tribal Gaming Agency, issue a temporary certification to the applicant within thirty (30) days of the State Gaming Agency's receipt of the completed application, unless the background investigation undertaken by the State Gaming Agency discloses that the applicant has a criminal history, or unless other grounds sufficient to disqualify the applicant pursuant to this Section are apparent or have been discovered during that period. The temporary certification shall become void and be of no effect upon either the issuance of a State certification or upon the issuance of intent to deny, in accordance with the provisions of this Compact.
- L. Summary Suspension of Tribal License. The Tribal Gaming Agency, pursuant to the laws of the Tribe, may summarily suspend any Tribal license if the continued licensing of a person or entity constitutes an immediate and potentially serious threat to the public health, safety or welfare.
- M. Summary Suspension of State Certification. The State Gaming Agency, pursuant to the laws of the State, may summarily suspend any State certification if the continued certification constitutes

an immediate and potential serious threat to public health, safety or welfare. Provided, the State shall not summarily suspend or revoke the certification of key management personnel who have supervisory responsibilities in the Class III gaming facility solely for failing to comply with procedural requirements of this Compact and any applicable laws incorporated herein. To minimize any potential of jeopardizing the proper operations of the Gaming Facility, the State Gaming Agency shall discuss its intent to summarily suspend or revoke the certification of any key personnel and the basis for such action with the Tribal Gaming Agency prior to taking any action.

- N. Submission to State Administrative Process. Applicants for State certification agree by submitting such application to submit to State jurisdiction to the extent necessary to determine qualification to hold such certification, including all necessary administrative procedures, hearings and appeals pursuant to RCW 9.46, WAC 230-50 and the State Administrative Procedures Act, RCW 34.05. Tribal members who apply specifically grant a waiver of immunity, defense, or other objection they might otherwise have to the exercise of State jurisdiction for these purposes, but only for the purposes discussed in this paragraph. Nothing in this Section shall be deemed or interpreted as a waiver of immunity or submission to State jurisdiction for any other purpose or cause of action.
- O. Tribal Certification. The Tribe for any certification process may, in its sole election, rely upon the certification of the State as the Tribe's qualification process for a Tribal gaming license.

## VI - TRIBAL ENFORCEMENT OF COMPACT PROVISIONS

- A. Tribal Gaming Agency. The primary responsibility for the on-site regulation, control and security of the Gaming Operation authorized by this Compact, and for the enforcement of this Compact within the Shoalwater Bay Indian Reservation, shall be that of the Tribal Gaming Agency and the Shoalwater Bay Indian Tribe Police Department. The Tribal Gaming Agency and/or Shoalwater Bay Indian Tribe Police Department shall:

Record in a permanent and detailed manner any and all occurrences that require evaluation, investigation, or other decision making under the terms of this Compact that happen within the Gaming Facility. Each incident, without regard to materiality, shall be assigned a sequential number and, at a minimum, the following information shall be recorded in indelible ink in a bound notebook from which pages cannot be removed and each side of each page of which is sequentially numbered:

- (a) the assigned number;
- (b) the date;
- (c) the time;
- (d) the nature of the incident;
- (e) the name, address and telephone number of all persons involved in the incident; and
- (f) the name and identification number of the security department or Tribal Gaming Agency employee assigned responsibility for recording the occurrence.

B. Tribal Gaming Agents. The Tribal Gaming Agency shall employ qualified agents. Tribal Gaming Agents shall be independent of the Tribal Gaming Operation, and shall be supervised and accountable only to the Tribal Gaming Agency.

C. Reporting of Violations. A Tribal Gaming Agent shall be present in the gaming facility during all hours of gaming operation authorized under this Compact, and shall have immediate access to any and all areas of the Gaming Operation for the purpose of ensuring compliance with the provisions of this Compact and Tribal Ordinances. Any violation(s) of the provisions of this Compact, or of Tribal Ordinances by the Tribal Gaming Operation, a gaming employee, or any person on the premises whether or not associated with the Tribal Gaming Operation shall be reported immediately to the Tribal Gaming Agency and forwarded to the State Gaming Agency within seventy-two (72) hours of the time the violation(s) was noted.

D. Investigation and Sanctions. The Tribal Gaming Agency shall investigate any reported, observed or suspected violation of the Compact provisions or applicable law and shall require the Tribal Gaming Operation to correct the violation upon such terms and conditions as the Tribal Gaming Agency determines are necessary. The Tribal Gaming Agency shall be empowered by Tribal ordinance to impose fines and other sanctions within the jurisdiction of the Tribe against a gaming employee, or any other person directly or indirectly involved in, or benefiting from, the violation.

E. Reporting to State Gaming Agency. The Tribal Gaming Agency shall forward copies of all completed incident and investigation reports and final dispositions to the State Gaming Agency on a continuing basis. If requested by the Tribal Gaming Agency, the State Gaming Agency shall assist in any investigation initiated by the Tribal Gaming Agency and provide other related investigation services, for which the Tribe agrees to reimburse the State Gaming Agency.

F. Agency Meetings. In order to develop and foster a coordinated relationship in the enforcement of the provisions of this Compact, representatives of the State Gaming Agency and the Tribal Gaming Agency shall meet quarterly during the first year of operation to review existing practices and examine methods to improve the regulatory program created by this Compact. After the first year, the parties shall meet at least annually to discuss these matters. The meetings shall take

place at a location selected by the Tribal Gaming Agency. At least ten (10) days prior to such meetings, the State Gaming Agency shall disclose in writing to the Tribal Gaming Agency any concerns, suspected activities or pending matters reasonably believed to possibly constitute violations of this Compact by any person, organization or entity, if such disclosure will not compromise the interest sought to be protected. At such time as the Tribe begins operating a satellite wagering facility for horse racing activities, the Washington Horse Racing Commission shall participate in the Agency Meeting.

## VII - COOPERATIVE ENFORCEMENT OF COMPACT PROVISIONS

- A. Monitoring of Gaming Operation. The State Gaming Agency and, with respect to the satellite wagering facility and activities only, the Washington Horse Racing Commission shall, pursuant to the provisions of this Compact, have the authority to monitor the Tribal Gaming Operation to ensure that it is conducted in compliance with the provisions of this Compact. In order to properly monitor the Tribal Gaming Operation, agents of the State Gaming Agency and the Washington Horse Racing Commission shall have free and unrestricted access to all applicable areas of the Gaming Facility during normal operating hours with or without giving prior notice to the Tribal Gaming Agency. Provided, that when possible notice shall be given to the Tribal Gaming Agency or to a Tribal Gaming Agent in the facility, and the Tribal Gaming Agency may assign an Agent or other representative to accompany the State agent while on the Shoalwater Bay Indian Reservation. Following the investigation, and to the extent such disclosure does not jeopardize the investigation or the personal safety of individuals, the State shall provide the Tribal Gaming Agency with a report of the investigation, including information about evidence gathered in connection with the investigation. In no event shall the Tribe have access to identifying information regarding confidential informants.
- B. Access to Records.
1. Agents of the State Gaming Agency and, with respect to the satellite wagering facility and activities only, the Washington Horse Racing Commission, shall have equal authority with the Tribal Gaming Agency to review and copy, during all operating hours, all applicable Class III gaming records maintained by the Tribal Gaming Operation. Any information derived therefrom shall be deemed strictly confidential, and proprietary financial information of the Tribe. Subject to the requirements of Section VII.B.2 below, or any court order, such information shall be retained by the State Gaming Agency in its contractual capacity as a signatory to this Compact solely pending its full review process. All copies taken shall be returned to the Tribe immediately after use by the State Gaming Agency unless otherwise provided pursuant to the Compact.
  2. The State Gaming Agency or, as applicable, the Washington Horse Racing Commission, shall notify the Tribe, by certified mail, of any requests for disclosure of Tribal information and shall not disclose any such information until the Tribe, the State, or both have had a reasonable opportunity to challenge the request. Provided, this public disclosure prohibition shall not apply to evidence used in any proceeding authorized by this Compact. If the information requested is the 2% Impact Mitigation Fund amounts or distributions, the State

Gaming Agency may notify the Tribe of the request by using regular U.S. mail, facsimile, or other means as agreed to by the parties.

- C. Tribal Gaming Agency Notification. At the completion of any inspection or investigation, copies of the investigative report shall be forwarded to the Tribal Gaming Agency along with copies of evidence and information pertinent to the inspection.
- D. Cooperation With Tribal Gaming Agency. The State Gaming Agency and, as applicable, the Washington Horse Racing Commission, shall promptly notify the Tribal Gaming Agency of any activity suspected or occurring, whether within the Gaming Facility or not, which adversely affects State, Tribal or public interests relating to the Gaming Facility and Gaming Operation. Provided, such disclosure shall not compromise the interest sought to be protected.
- E. Jurisdictional Issues. Except as expressly set forth herein, and then only to the extent expressly set forth herein, the terms of this Compact do not constitute a waiver of sovereign immunity by either party and any such waiver is and shall be deemed to be only a limited waiver solely for the purposes set forth in this Compact. Nothing in this Compact is intended to create any State or other non-Shoalwater Bay Indian Tribe entity jurisdiction with respect to non-gaming related activities on the Shoalwater Bay Indian Reservation. The Terms of such limited waiver of sovereign immunity shall be strictly construed.

### **VIII - REGULATORY JURISDICTION RELATING TO ENFORCEMENT OF THE PROVISIONS OF THIS COMPACT**

Concurrent Jurisdiction. The Tribal Gaming Agency, State Gaming Agency and, with respect to the satellite wagering and activities only, the Washington Horse Racing Commission, shall have concurrent jurisdiction to investigate violations of the provisions of this Compact, and to bring administrative charges in accordance with Tribal Laws or the provisions of Chapter 9.46 RCW, Chapter 67.16 RCW, Chapter 34.05 RCW and Chapter 230-50 WAC, against any individual or business entity that is licensed by the Tribal Gaming Agency or certified by the State Gaming Agency in accordance with this Compact. In recognition of the need to foster a joint regulatory program to enforce the provisions of this Compact, the Tribe consents to the limited waiver of sovereign immunity solely with respect to this Compact and its provisions. The Tribe further consents to the exercise of jurisdiction by the Federal District Court of the Western District of Washington with respect to actions to enforce the provisions of this Compact, but if such court declines to exercise subject matter jurisdiction, then by any court of competent jurisdiction. This waiver shall be effective only during the term that this Compact is in effect. With the exception of those jurisdictional issues specifically addressed in this Compact, this Compact should not be construed to affect any other jurisdictional issues between the State and the Tribe.

## IX - LAW ENFORCEMENT JURISDICTION RELATING TO GAMBLING

- A. Investigative Authority. The Tribal Gaming Agency, Tribal Law Enforcement Agency, Local Law Enforcement Agencies, the State Gaming Agency and, as applicable to the satellite wagering and activities only, the Washington Horse Racing Commission, shall have the authority to investigate any gambling and related crimes against the laws of Chapter 9.46 RCW or Chapter 67.16 RCW to the extent said State laws are expressly made applicable herein, and that occur on the Shoalwater Bay Tribal Reservation. Except as expressly set forth in this Compact, nothing herein shall be or be deemed to be a consent, grant or waiver of any sovereign right or immunity of the Tribe with respect to the Tribe, the Shoalwater Bay Indian Reservation, members of the Tribe, or any other individuals or entities subject to Tribal jurisdiction.
- B. Jurisdictional Forums. Following investigation and arrest, formal criminal charges against individuals or entities shall be brought in the appropriate venue. Criminal prosecution of non-Indian defendants shall be in State or Federal court. Criminal prosecution of Shoalwater Bay Tribal members shall be in Shoalwater Bay Tribal or Federal court or, where permitted under law in effect upon the execution of this Compact, in State court. Wherever possible, for criminal defendants who are Indian, Shoalwater Bay Tribal Court shall be the preferred venue for prosecutions unless the Tribe declines to exercise its jurisdiction within six months of apprehension by a law enforcement agency and receipt by the Tribal Prosecuting Attorney of all relevant information in the possession of the apprehending agency.
- C. Consent to Application of State Law and Incorporation in Tribal Laws. Upon the effective date of the Compact, , for the purposes of 18 U.S.C. Section 1166(d), for enforcing the provisions of this Compact with respect to certification and criminal conduct, for protection of the public health, safety and welfare, and to the extent not inconsistent with other provisions of this Compact, RCW 9.46.0335; 9.46.075; 9.46.140; 9.46.155; 9.46.160; 9.46.170; 9.46.180; 9.46.185; 9.46.190; 9.46.196; 9.46.198; 9.46.220; 9.46.221; 9.46.222; 9.46.231; 9.46.215; 9.46.240; and 67.16.060; and as now or hereinafter amended, to the extent such amendments concern the same subject matter as the old statutory provision, shall be applicable and incorporated herein as part of this Compact and shall be incorporated by this reference into Tribal Law regarding any Class III gaming affected by such statutory sections. Provided, that in the event any such provisions of State law are amended or repealed, the State Gaming Agency will give the Tribe notice of same within thirty (30) days of the effective date. The State agrees that activities conducted in conformity with this Compact shall not be deemed to be a violation of such statutory sections referenced herein. Notwithstanding provisions herein to the contrary, and penalty or fine contained in State statutory provisions incorporated into this Compact or the Tribe's gaming ordinance which are in conflict with applicable federal law shall be deemed revised and amended so as to conform to federal law.
- D. Exception to Consent. Except for the concurrent jurisdiction of the State with respect to gaming on the Shoalwater Bay Indian Reservation contained in this Section and elsewhere for acts of individuals, nothing in this Compact shall be deemed a consent or submission of or by the Tribe to the concurrent jurisdiction and/or application of any other laws of the State.

- E. Law Enforcement Coordination. In an attempt to foster a spirit of cooperation between the law enforcement agencies authorized to enforce the criminal laws of the State or the Tribe, and those laws affecting the public health, safety and welfare of the surrounding communities, representatives of those law enforcement agencies shall meet prior to commencement of operations and periodically thereafter to discuss mutual concerns and coordinate the enforcement actions necessary to minimize those concerns.

## **X - ENACTMENT OF COMPACT PROVISIONS**

- A. State Gaming Agency Rules or Regulations. Pursuant to its general rule making authority contained in Chapter 9.46 RCW, the State Gaming Agency may enact as part of its rules or regulations governing gambling, all or part of the provisions of this Compact.
- B. Tribal Gaming Agency Regulations. Pursuant to its general rule making authority, the Tribal Gaming Agency may enact as part of its regulations governing gambling, all or part of the provisions of this Compact.

## **XI - REGULATIONS FOR THE OPERATION AND MANAGEMENT OF THE TRIBAL GAMING OPERATION**

- A. Adoption of Regulations for Operation and Management. The Tribal Gaming Agency shall adopt regulations to govern the operation and management of the Gaming Operation conducted under the authority of this Compact. Any regulations adopted by the Tribe shall ensure that the interests of the Tribe and the State relating to Class III gaming are preserved and protected. The regulations shall maintain the integrity of the Gaming Operation and shall reduce the dangers of unfair or illegal practices in the conduct of the Class III Gaming Operation. The initial regulations to govern the operation and management of the Tribal Gaming Operation shall be the standards set forth in Appendix A and are approved by the State Gaming Agency. The Tribal Gaming Agency shall notify the State Gaming Agency of any intent to revise the standards set forth in Appendix A or of any other regulations issued thereafter and shall request the concurrence of the State Gaming Agency for such revisions. The State Gaming Agency concurrence shall be deemed granted unless disapproved in writing within thirty (30) days of submission of the revised standards. The State Gaming Agency shall concur with the proposed revisions upon request, unless it finds that they would have a material adverse impact on the public interest in the integrity of the Gaming Operation, and shall disapprove only such portions of the proposed revised standards which are determined to have a material adverse impact upon such interests. If the State Gaming Agency disagrees with the proposed revised standards, it shall set forth with specificity the reasons for such disagreement. Upon a notice of disagreement, the parties shall meet, and in good faith try to resolve the differences. If unsuccessful, the matter shall be resolved pursuant to Section XII.C of this Compact.
- B. Additional Operational Requirements Applicable to Class III Gaming. The following additional requirements shall apply to the Gaming Operation conducted by the Tribe:

1. To ensure integrity, the Tribal Gaming Operation shall maintain the following logs as written, or computerized records which shall be available for inspection by the State Gaming Agency in accordance with Section VII.B of this Compact: A surveillance log recording all surveillance activities in the monitoring room of the Gaming Facility; a security log recording all unusual occurrences that require an evaluation, investigation, or other decision making process by a Tribal Gaming Agent.
2. The Tribal Gaming Agency shall establish a list of persons barred from the Gaming Facility because their criminal history or association with career offenders or career offender organizations poses a threat to the integrity of the gaming activities of the Tribe. The Tribal Gaming Agency shall employ its best efforts to exclude persons on such list from entry into its Gaming Facility. The Tribal Gaming Agency shall send a copy of its list on a quarterly basis to the State Gaming Agency.
3. The Tribal Gaming Agency shall require the audit of the Tribal Gaming Operation, not less than annually, by an independent certified public accountant, in accordance with Generally Accepted Accounting Principles (GAAP).
4. The Tribal Gaming Agency shall notify the State Gaming Agency of the rules of each game operated by the Tribe and of any change in such rules. To the extent such rules have been adopted prior to the execution of this Compact, they are set forth in Appendices A and B hereto and shall be deemed approved by the State. Summaries of the rules of each game relevant to the method of play and odds paid to winning bets shall be visibly displayed or available in pamphlet form in the Gaming Facility. Betting limits applicable to any gaming station shall be displayed at such gaming station. Rules for games identified in Section III.A, except as specified in Appendix B, shall be based upon such games as commonly practiced in Nevada, including wagering, that does not fundamentally alter the nature of the game as the Tribal Gaming Agency may approve. Rules for games identified in Section III.A, except as specified in Appendix B, shall be submitted to the State Gaming Agency for review, to determine if the rules fundamentally alter the nature of the game. The Tribe will provide the State Gaming Agency ten (10) days advance notice of the rules of each game and any modifications thereof, and will provide adequate notice to patrons of the Gaming Facility to advise them of the applicable rules in effect. In the event of a dispute, the matter will be handled in accordance with Section XII.C of this Compact.

C. Regulation of Gaming Facility. The following requirements shall apply to the Gaming Facility maintained by the Tribe, or its manager, or management company, if any:

1. The Gaming Operation shall maintain a closed circuit television system in accordance with the regulations set forth in Appendix A, and shall not modify such regulations without the agreement of the State Gaming Agency. The Gaming Operation shall provide the Tribal Gaming Agency and the State Gaming Agency with copies of its floor plan and closed circuit television system and any modifications thereof for review by the Tribal Gaming Agency. If the floor plan or closed circuit television system does not provide unobstructed camera views in accordance with such regulations, the Tribal Gaming Agency shall modify such floor plan or closed circuit television system in order to remedy such deficiency. The Tribal Gaming Agency shall forward a copy of the floor plan and closed circuit television

system to the State Gaming Agency for review and consideration prior to final approval. In the event of a dispute, the matter will be handled in accordance with the provisions of Section XII.C.

2. The Gaming Operation shall maintain a cashier's cage in accordance with the standards set forth in Section 7(3) of Appendix A, and shall not modify such standards without the concurrence of the State Gaming Agency. The Tribal Gaming Agency and the State Gaming Agency may review cashier's cage security. If the cashier's cage does not comply with the security standards set forth in said Appendix, the Gaming Operation shall modify its cashier's cage to remedy such deficiency. In the event of a dispute the matter will be handled in accordance with provisions of Section XII.C.
3. The Gaming Operation shall provide the Tribal Gaming Agency and the State Gaming Agency with a description of its minimum requirements for supervisory staffing for each table gaming pit operated in its Gaming Facility, and in the event that the State Gaming Agency regards such supervisory staffing as inadequate, the Tribal and State Gaming Agencies shall promptly confer in good faith in an effort to reach agreement on supervisory staffing requirements. If agreement cannot be reached between the State and Tribal Gaming Agencies, the dispute shall be handled in accordance with Section XII.C of this Compact.

Standards for management and operation of the satellite wagering activities shall be consistent with the provisions of this Compact, including Appendix B, and those applicable to non-tribal satellite wagering facilities and activities in the State to the extent not inconsistent with this Compact.

## **XII - REMEDIES FOR BREACH OF COMPACT PROVISIONS**

- A. Injunction Against the State. If the Tribe believes the State, whether or not through the State Gaming Agency or Washington Horse Racing Commission, is in breach or default or is otherwise acting contrary to, or failing to act in the manner required by, any of the provisions of this Compact, the Tribe may seek injunctive or other relief in a court of competent jurisdiction. Prior to bringing such action, the Tribe shall notify the State and the State Gaming Agency in writing of the alleged violation(s).
- B. Injunction Against the Tribe, the Tribal Gaming Operation, or any Individual. Subsequent to the effective date of the Transition to a compacted gaming facility, the State Gaming Agency may bring an action to enjoin the Tribe, the Gaming Operation, or any individual, if the State determines that any Gaming Operation authorized by the provisions of this Compact is being conducted in violation of the provisions of this Compact or if any Class III activity is being conducted by others elsewhere on the Shoalwater Bay Indian Reservation in violation of the provisions of this Compact. Such action shall be brought in the U.S. District Court for the Western District of Washington, pursuant to 25 U.S.C. § 2710(d)(7)(A)(ii). Solely for the purpose of this remedy, the Tribe consents to such suit and hereby agrees to a limited waiver of sovereign immunity for the purposes set forth in this sub-section only, such waiver to be effective only during the term that this Compact is in effect; provided, that no injunctive relief shall be sought against the Tribe without notice, and if the State seeks injunctive relief against

the Tribe without first having resorted to the dispute resolution procedures in Section XII.C of this Compact, the State shall have the burden of demonstrating to the Court that the failure to resort to said procedures was reasonably justified. Prior to bringing such action, the State Gaming Agency shall notify the Tribe in writing of the alleged violation(s).

C. Dispute Resolution. In recognition of the government-to-government relationship of the Tribe and State, the parties shall make their best efforts to resolve disputes by good faith negotiations whenever possible. Therefore, without prejudice to the right of either party to seek injunctive relief against the other, when circumstances require such immediate relief, the parties hereby establish a method of non-judicial dispute resolution in order to foster a spirit of cooperation and efficiency in the administration and monitoring of performance and compliance by each other with the terms, provisions and conditions of this Compact. Unless other procedures and time frames are elsewhere set forth in this Compact, then and in the event of a dispute or disagreement between the parties regarding the implementation and compliance with referenced provisions of this Compact or otherwise by mutual agreement of the parties, disputes shall be resolved as follows:

1. Either party shall give the other, as soon as possible after the event giving rise to the concern, a written notice setting forth the issues to be resolved;
2. The parties shall meet and confer in a good faith attempt to resolve the dispute through negotiation not later than ten (10) days from receipt of the notice;
3. If the dispute is not resolved to the satisfaction of either party within twenty (20) days of the first meeting, then either party may seek and cause to have the dispute resolved by and in accordance with the policies and procedures of the Commercial Rules of Arbitration of the American Arbitration Association, unless the parties agree to use a different service, at sites which alternate between the Shoalwater Bay Indian Reservation and the State Gaming Agency or Commission offices after each arbitration dispute, i.e., the first arbitration dispute, until completed, shall be held on the Shoalwater Bay Indian Reservation; the next arbitration dispute, until completed, shall be held at the State Gaming Agency or Washington Horse Racing Commission offices; and so forth.
4. The arbitration, unless another date is stipulated to by the parties, shall occur no later than fourteen (14) days from the date an arbitrator is named.
5. The decision of the arbitrator shall be final and unappealable.
6. Nothing in this Section shall be construed to waive, limit or restrict any remedy which is otherwise available to either party to enforce or resolve disputes concerning the provisions of this Compact. Nor shall this Section be construed to preclude, limit or restrict the ability of the parties to pursue, by mutual agreement, alternative methods of dispute resolution, including but not limited to mediation or utilization of a technical advisor to the Tribal and State Gaming Agencies; provided that neither party is under any obligation to agree to such alternative method of dispute resolution.

D. Sanctions/Civil Fines. The following is a schedule of civil fines for any violation of the provisions of the compact Sections set forth below. These penalties are set forth as maximums to be set within the reasonable discretion of the State Gaming Agency and charged and levied against the Tribe, Gaming Operation, manufacturer, supplier, gaming employee, or other entities. The event or circumstances occasioning the violation and the extent and amount of the penalty for the violation, if contested, are subject to dispute resolution under Section XII.C. Any penalties are subject to disposition under Section XII.E.

1. For violation of terms, conditions and provisions of Section III:
  - (a) First and subsequent violations: Up to a maximum suspension of gaming operations within the Class III facility not to exceed five (5) days of operation (up to 20 hours per day) per violation, or the dollar equivalent of the Net Win to the Tribe from operations for the number of days of suspension, all not to exceed 30 days.
2. For violations of the terms, conditions and provisions of Section IV and V - non-certified or non-licensed gaming employee(s), manufacturer(s), supplier(s) or other entities:
  - (a) For employees:
    - (1) first violation - fine equal to daily Net Win for each day of employment divided by the number of gaming stations in play for each day of employment; and
    - (2) for the same employee's second and subsequent violations - suspension of twenty (20) hours of gaming operations for each day of employment or a fine equal to the Net Win for each day of employment.
  - (b) For manufacturers, suppliers and other entities:
    - (1) first violation - up to \$5,000; and
    - (2) second and subsequent violations - up to \$20,000.

  - (a) For first violation - written warning.
  - (b) For second violation - up to \$250.
  - (c) For third violation - up to \$500.
  - (d) For subsequent violations - up to \$1,000.

All penalties listed in this subsection 3(a) through (d) will be charged and monitored on a per-violation basis on an annual basis per violator dating from the issuance of the written warning. Provided, during the first six (6) months of actual operation of the Class III Gaming Operation only written warnings will be issued.

- E. Method of Assessment and Payment to Washington State Council on Problem Gambling. Any civil fines assessed by the State Gaming Agency or the Tribal Gaming Agency pursuant to the provisions of this Compact shall be paid within 30 days of assessment to the Washington State Council on Problem Gambling, a bona fide nonprofit organization, provided that the organization offers some program which takes affirmative steps to reach the Indian community in Washington State. In the event the Washington State Council on Problem Gambling does not have such an Indian program, or ceases to exist, or substantially changes its purpose, then the parties agree to meet and in good faith designate an alternative recipient bona fide nonprofit organization whose primary purposes are related to addressing the ills of compulsive or problem gambling within the State, the Tribe and the neighboring communities. Provided, in the event a dispute arises, it will be resolved pursuant to Section XII.C of this Compact.

### **XIII - TRIBAL REIMBURSEMENT OF REGULATORY FEES AND EXPENSES INCURRED BY THE STATE GAMING AGENCY**

The Tribe shall reimburse the State Gaming Agency for all reasonable costs and expenses actually incurred by the State Gaming Agency in carrying out its responsibilities as authorized under the provisions of this Compact. Reimbursement shall be made for monitoring, investigative, and processing costs. With regard to administrative actions, reimbursement shall be made to the extent that costs incurred exceed the certification fees received. The State shall submit a verified, detailed statement with supporting documentation on a quarterly basis to the Tribal Gaming Agency. The Tribe shall reimburse the State Gaming Agency within thirty (30) days after the receipt of the statement of expenses. The method of reimbursement shall be as set forth in Section 13 of Appendix X.

### **XIV - PUBLIC HEALTH AND SAFETY**

- A. Compliance. For the purposes of this Compact the Gaming Operation shall comply with and enforce standards no less stringent than the following with respect to public health and safety:
1. Indian Health Service public health standards;
  2. All Federal laws establishing minimum standards for environmental protection;
  3. Applicable Environmental Protection Agency program standards and Tribal Environmental Policy Act requirements;
  4. Federal water quality and safe drinking water standards;
  5. Uniform Building Code, including codes for electrical, fire and plumbing;

- B. Emergency Service Accessibility. The Tribal Gaming Agency shall make provisions for adequate emergency accessibility and service.
- C. Impact Mitigation Fund.
1. The Tribe recognizes that activities directly and indirectly associated with the operation of the Gaming Facility on the Shoalwater Bay Indian Reservation may impact local law enforcement agencies, emergency services, and other services and place an increased burden on them. The Tribe hereby agrees to establish a fund for purposes of providing assistance to law enforcement, emergency services, and/or service agencies (including those agencies responsible for traffic and transportation) impacted by the Class III Gaming Facility and to withhold and disburse 2.0% of the Net Win from the Class III Gaming Operation, except as otherwise excluded under the provisions of this Compact, for this fund (Impact Mitigation Fund). A committee consisting of two representatives of the Shoalwater Bay Indian Tribe; an elected representative from a municipality within twenty-five (25) miles of the Gaming Facility; a member of the Pacific County Commission; and a representative of the State Gaming Agency; shall be established. The composition of this committee may be altered by mutual agreement of the Tribe and State Gaming Agency, if necessary. The committee shall initially meet within 120 days of the Gaming Facility opening to develop and execute a Memorandum of Understanding containing committee rules of order, Impact Mitigation Fund distribution procedures, and establish set factors to be used to determine negative impacts. The committee shall meet at least once every twelve (12) months to discuss the following: 1) positive and negative impacts within the county, neighboring cities, and on the Shoalwater Bay Indian Reservation; 2) services provided by the Tribal and other agencies; and 3) the distribution of the Impact Mitigation Fund. If the committee determines that the impact mitigation distribution does not meet or exceed the 2% withholding, the remaining funds shall be distributed by the Committee as follows: 50% to the Shoalwater Bay Indian Tribe Police Department, other community needs or any combination thereof, and 50% to be applied towards and the State's regulatory costs and expenses, as set forth in Section XIII, to the Tribal Gaming Agency, or any combination thereof. No Class II gaming revenues, satellite wagering revenues, "nonprofit gaming table" revenues, or non-gaming revenues, such as, but not limited to, food beverage, wholesale or retail sales, shall be included with the 2.0% budgeted and disbursed as set forth in this Section.
  2. The recipients of the Impact Mitigation Fund shall be paid within thirty (30) days following the meeting of the committee.
- D. Community Relations. The Tribal Gaming Agency agrees to be available to meet and discuss with neighboring communities any concerns regarding the impact of the Class III Gaming Operation upon the neighboring communities.
- E. Alcoholic Beverage Service. Standards for alcohol service within the Gaming Facility shall be subject to applicable law.

## XV - AMENDMENTS, DURATION AND EFFECTIVE DATE

- A. Effective Date. This Compact shall take effect upon the occurrence of the last of the following events: publication of notice of approval by the U.S. Secretary of the Interior in the Federal Register in accordance with 25 U.S.C. § 2710(d)(3)(B); approval by the State Gaming Agency and the Tribal Gaming Agency that the Gaming Facility has passed its pre-operation inspection as set forth in Section IV. A. and is in compliance with the Compact; and, certification to the State Gaming Agency by the Tribe's Chairperson that the only electronic gambling devices in operation at the gaming facility are those authorized by Appendix X.
- B. Transition. The Tribe is currently operating a Gaming Facility in the absence of Tribal/State Compact and it is the intention of both the Tribe and State that the Gaming Facility transition to a compacted Gaming Facility expeditiously, without any disruption in business. Except as stated below, this Compact shall not be binding upon either the Tribe or the State until the provisions in Section XV. A. are met. Until the date that the Compact becomes effective, the following provisions shall be binding:
1. Best Efforts. The Tribe shall use best efforts to transition the Gaming Facility to be in compliance with the provisions of this Compact, expeditiously. The State Gaming Agency shall use best efforts to assist the Tribe in the transition.
  2. Processing of Applications. Once the State and Tribal Gaming Agencies have agreed that the Gaming Facility meets the requirements for licensing as set forth in Section IV. A., the State Gaming Agency shall process applications per its obligations set forth in section V. B.
  3. Access to State Gaming Agency Officials. The Tribe shall provide access to State Gaming Agency officials per its obligations set forth in section VII. A., except that the Tribe may require a Tribal escort at all times prior to the effective date of the Compact.
- C. Voluntary Termination. Once effective, this Compact shall be in effect until terminated by the written agreement of both parties. Provided, should the Tribe wish to cease Class III gaming operations, the Tribe may unilaterally terminate this Compact by submitting written notice sixty (60) days prior to the date of termination to the Governor of the State of Washington. Provided, State jurisdiction under this Compact shall continue until the completion of any pending investigation or court action. Suspension or injunction of Class III gaming operations shall not constitute termination for the purpose of this sub-section.
- D. Other Termination - Change of State Law. If the laws of the State authorizing the activities set forth herein as Class III gaming activities are repealed prohibiting such gaming for any purpose by any person, organization or entity, it is the State's position that the provisions of the Compact providing for such gaming would not be authorized and continued operation of such gaming would constitute a violation of the Compact and the State may bring an action in Federal District Court pursuant to 25 U.S.C. § 2710(d)(7)(A)(ii).

The Tribe disagrees that such subsequent State legislation would have this effect under IGRA and the Compact, but does agree that such an action, if commenced in that forum, is the appropriate State recourse and for such purpose the Tribe consents to such a suit and hereby grants a limited waiver of sovereign immunity solely for the purpose of litigating the said issue.

E. Adjustments/Renegotiations.

1. Renegotiations. Either the Tribe or the State may request renegotiation of any of the provisions of this Compact if and when circumstances or events occur that merit the discussion and renegotiation of such provisions. The request to renegotiate shall include the activities or circumstances the party wishes to negotiate, together with a statement of the basis supporting the request. The parties agree that negotiations shall commence in good faith under IGRA and within thirty (30) days of the request. The current terms and provisions of the Compact will remain in effect unless and until the parties agree on the renegotiated terms.
2. Process and Negotiation Standards. The notices to amend or renegotiate shall include the activities or circumstances to be negotiated together with a statement of the basis supporting the request. The parties shall confer and negotiations shall commence within thirty (30) days of the request. All matters involving negotiations or other amendatory processes under this Section shall be otherwise governed, controlled and conducted in conformity with the provisions and requirements of 25 U.S.C. § 2710(d), except in sub-sections where a different resolution is specifically provided in the event of an unsettled dispute or where agreement is not reached by the parties
3. Authorization to Other Tribes. Notwithstanding any other provision of this Compact to the contrary, in the event that the State enters into or amends a compact with another tribe and such agreement gives any such tribe more gaming facilities, activities, stations or higher wager limits, more hours of operation, or any combination thereof than provided under the terms of this Compact, then this Compact shall be thereby upon approval and acceptance of any such increases by the Tribe and written incorporation of such amendments to this Compact provided to the State.

## **XVI - LIMITATION OF LIABILITY**

Neither the Tribe nor the State are creating, or intend to create, any rights in third parties which would result in any claims of any nature whatsoever against the Tribe or the State as a result of this Compact. Neither the Tribe nor the State has waived immunity from third party suits or claims of any kind or nature whatsoever against them, and nothing contained in this Compact shall be construed to effect a waiver, in whole or in part, of said immunity.

Provided, the Commission shall conduct a hearing and render a decision within ninety (90) days after receipt of the request for a determination from the Tribe, and further provided, that if the Commission decision is not rendered within that time, the Tribe is entitled to conduct satellite wagering in accordance with the provisions of subparagraph c., below. If the Commission determines that the terms offered Tribe are less advantageous, the Washington State track shall have thirty (30) days to offer terms that are at least as advantageous to the Tribe, or the Tribe will be entitled to conduct satellite wagering in accordance with subparagraph c., below. Nothing in this section (Section 4) shall be deemed to limit acceptance of satellite wagers to the extent permitted under the Interstate Horseracing Act. Consent of the Commission, as required under the Interstate Horseracing Act shall not be unreasonably withheld. For disputes concerning whether the Commission has unreasonably withheld its consent, the Tribe or the State may request arbitration under Section XII.C of this Compact.

- (b) Hours of Operation. The wagering authorized in the Tribe's satellite wagering facility shall be conducted within the hours authorized for Class III gaming under this Compact. - (c) Approval of Facility. Subject to approval of the physical adequacy of the facility, the Shoalwater Bay Reservation is hereby approved as location for the conduct of satellite wagering as permitted under this Compact. The right of Tribe to conduct satellite wagering from a facility at such location shall not be affected by its distance from any live race meet being broadcast to such facility, and statutes and regulations imposing distance limitations on the location of satellite wagering facilities relative to live race meets, including but not limited to RCW 67.16.200(c), shall not be applicable to Tribe.
- (d) Wagering Rules. All of the rules set forth in Chapter 260-48 WAC ("Mutuels") are hereby incorporated by reference as being applicable to any satellite wagering facility authorized hereunder, subject to the following qualifications:

- (e) Other Facilities Within Area. In the event the Commission considers allocation of exclusive or limited areas in which satellite wagering facilities may be located, the Commission will give good faith consideration to designating the Shoalwater Bay satellite wagering facility as one of those exclusive or limited area satellite wagering sites. Notwithstanding the foregoing, the conduct of satellite wagering at any other facility, including a live racing facility, in the State shall not affect the right of the Tribe to operate its satellite wagering facility at any time.
  
- (f) Amounts Received by Tribe. The Tribe may receive from parimutuel wagers made at its satellite wagering facility such amounts as may be negotiated between it and the operator of the parimutuel pool (track).

- (h) Accounting Practices and Audits. Any satellite wagering facility authorized hereunder shall maintain its books and records in accordance with generally accepted accounting principles and such rules and regulations, if any, as are applied to satellite wagering facilities in the State.

## APPENDIX X

### RULES GOVERNING TRIBAL LOTTERY SYSTEMS

#### SECTION 1. OVERVIEW

This Appendix describes, authorizes and sets forth provisions applicable to the operation of a tribal lottery system conducted pursuant to the Indian Gaming Regulatory Act for playing electronic scratch ticket and on-line lottery games. The system utilizes player terminals with video displays which allow players to purchase chances and obtain game result information, a manufacturing computer which securely creates the finite set of chances used in the scratch ticket portion of the system, a central computer which stores and transmits game information and makes draws for the on-line lottery game, and an electronic central security and accounting system. In the scratch ticket game, preexisting scratch tickets are dispensed in an electronic format to players through the player terminals on an on-demand basis. In the on-line lottery game, drawings are conducted on a central computer independently of any activity at player terminals. The drawing results are then matched to player selections previously made on the player terminals. The system and games described and authorized herein are subject to the technical provisions set forth herein.

#### SECTION 2. DEFINITIONS

2.1 Cashless Transaction System. The means by which a player obtains, transfers and redeems Game Play Credits. 2.1.2 One or more of the following: Plastic, cardboard, magnetic, or "smart" cards; paper; personal identification ("PIN") numbers; Game Play Credits obtained from the exchange of cash or cash equivalents; Game Play Credits displayed on the Player Terminal which were earned as prizes from prior play and not redeemed; and other means for effectuating play and awarding prizes without inserting or dispensing cash into or from the terminal, provided that all Game Play Credits (other than credits earned from prior play and remaining displayed on a Player Terminal) must have been paid for by cash or cash equivalent;

2.1.3 A means of accounting for player deposits of cash or cash equivalents and exchanges for and redemption of Game Play Credits which is independent of the Player Terminal, through a player's account, a voucher system, or a "smart" card or similar device for recording individual player data; and

2.1.4 A means by which players can redeem unused Game Play Credits for cash or cash equivalents, first by depositing credits into a player account, a voucher system, or a "smart" card system or similar device for recording individual player data, and then providing a means to exchange such credits for cash or cash equivalents. All exchanges for cash must be through a cashier or other separate redemption system.

Each Electronic Scratch Ticket Game Set is uniquely identifiable, by serial number or otherwise, so that it can be distinguished from other game sets manufactured from the same template.

2.7 Electronic Scratch Ticket Game Subset. A defined group of Electronic Scratch Tickets that has been randomly selected from an Electronic Scratch Ticket Game Set and transmitted to a Central Computer in a fixed order for play. Each Electronic Scratch Ticket Game Subset is uniquely identifiable from all other Subsets selected from the same Game Set.

2.8 Game Play Credits. The means of representing value obtained from the exchange of cash or cash equivalents, or earned as a prize, which is used to effectuate play. Game Play Credits may be redeemed for cash or a cash equivalent.

2.14 Tribal Gaming Agency ("TGA"). The agency of the Tribe which has the authority and responsibility to carry out regulatory functions on behalf of the Tribe in connection with a Tribal-State compact. The TGA shall be as further defined in the compact.

2.15 Tribal Lottery System. Any lottery system operated pursuant to this Appendix. All computers and terminals and the combination and components thereof in each system operated by the Tribe shall conform to the provisions of this Appendix.

### SECTION 3. TRIBAL ELECTRONIC SCRATCH TICKET LOTTERY GAME SYSTEM

#### 3.1 Description of System Operation

3.1.1 The Tribal Lottery System game known as the Electronic Scratch Ticket Game consists of a finite number of Electronic Scratch Tickets, a certain number of which, if drawn, entitle a player to prize awards at various levels. The scratch tickets are designed from a template in conformity with this Appendix and are created in Game Sets on a Manufacturing Computer from which Scratch Tickets are randomly selected and placed into Scratch Ticket Subsets. Each Game Set has a predetermined number of winners and values and is designed so as to assure players of an at least 75% payback of the amounts paid in the aggregate for all

tickets in the Set. As a Game Set's tickets are placed into Subsets, the pool of tickets available from that Game Set for placement into Subsets diminishes, until each ticket in the Game Set has been placed into a Subset.

3.1.2 Scratch Ticket Subsets are transmitted to the Central Computer, where they are stored until dispensed electronically on demand to Player Terminals. Scratch Tickets are electronically dispensed from the Central Computer in the order within each Subset in which the tickets were received. Players compete against each other to draw winning tickets. As Subsets are used they are replaced by additional Subsets which have been created and delivered to the Central Computer in the same manner, until the Game Set has been depleted, ending that particular game. Different games based on different Game Sets may be offered simultaneously through the Central Computer.

3.1.3 A player initiates participation in an Electronic Scratch Ticket game at a Player Terminal, using Game Play Credits from the Cashless Transaction System. The monitor displays one or more of the Electronic Scratch Ticket games that are offered by the system, as well as other information such as graphics, game play and outcome information, and entertainment effects, subject to the limitations in Sections 5.2.2 and 5.2.3. The player chooses a particular game by touching the screen, pressing a button, or performing some other form of interaction with the Player Terminal.

3.1.4 Following the player's selection of a game or games, the player uses Game Play Credits displayed on the Player Terminal to purchase one or more Electronic Scratch Tickets. The pricing of tickets is governed by the provisions of Section 3.2.1. Wagers are deducted from the Game Play Credits displayed on the Player Terminal.

3.1.5 Prize structure, ticket purchase and selection, and wager information is displayed on the Player Terminal with respect to any game which is being played through that terminal.

3.1.6 After the player purchases an Electronic Scratch Ticket it is dispensed to the Player Terminal. The outcome associated with that ticket is shown on the Player Terminal only after the player touches the screen or performs some other physical interaction with the terminal to cause the outcome to be revealed. Any prizes won are displayed on the Player Terminal and may be in the form of Game Play Credits, the right to receive merchandise, or other valuable property.

3.1.7 Game Play Credits earned as prizes remain displayed and available for use in further play from that terminal. Game Play Credits also may be electronically transferred to a) a player's account in the Central Accounting System, b) a ticket or receipt printed by the Player Terminal, or c) a "smart" card or similar instrument. Once transferred, Game Play Credits may be a) used for further play on another terminal or b) redeemed for cash or cash equivalents through a cashier or other separate redemption system. Merchandise or other property won is collected in accordance with the rules of the game.

## 3.2 Game Set and Subset Requirements

3.2.1 Game Set Requirements. Each Game Set shall meet the following minimum requirements:

- a. Each Game Set shall be made up of a finite number of Electronic Scratch Tickets;
- b. All Scratch Tickets in a particular Game Set shall be of the same purchase price, not to exceed \$5.00, but a single Ticket may offer more than one opportunity to win a prize on the same wager;
- c. The payout percentage for the entire Game Set shall be no less than 75% of the total purchase price of all tickets in the set combined;
- d. Each Game Set shall be assigned a unique serial number; and
- e. Each ticket shall have a specific outcome and prize level associated with it.

3.2.2 Game Set Verification Process. Prior to commencement of play, the Game Set shall be verified as to the total number of tickets in the set and the number of winners at each prize level, including the amounts of such prizes, and the number of non-winners. The verification standards which the Game Set must meet are those set forth in Section 3.3.

3.2.3 Transmission of Subsets to Central Computer. Following verification of the Game Set, the Manufacturing Computer shall create ordered Scratch Ticket Subsets on demand from the Central Computer and transmit the ordered Subsets to it.

3.2.4 Subset Requirements. Each Electronic Scratch Ticket Game Subset shall meet the following minimum requirements:

- a. Within a given Game Set, each Subset shall be the same size and comprised of no less than 5,000, and no more than 10,000 Electronic Scratch Tickets, provided that in order to complete the distribution of all tickets in a Game Set, the final Subset derived from the Set may have less than the number of tickets in any other Subset and be less than 5,000;
- b. Each Subset shall be individually and uniquely identified by the Game Set serial number and a unique serial number for each Subset assigned in the order in which the Subsets are created;
- c. Scratch Tickets shall be dispensed from two or more Subsets of a given Game Set which have been securely stored in the Central Computer and which Subsets are rotated on a fixed and sequential, and not random basis;

- d. Scratch Tickets shall be dispensed from a Subset in the order in that Subset in which they were held in the Central Computer; and
- e. Once an Electronic Scratch Ticket has been dispensed to a Player Terminal from a Subset, it cannot be dispensed again.

3.2.5 Completion of Game. A Scratch Ticket Game is deemed to be completed only when all of the Electronic Scratch Tickets in a Game Set have been dispensed or the Game Set has been taken out of play. If any game set is withdrawn from play before completion of the game, the Tribe shall ensure that at least 75% of the revenues received from sales of Electronic Scratch Tickets in that game have been, or in future Electronic Scratch Ticket Games will be, awarded to players.

3.3 Data Required to be Available Prior to Commencement of an Electronic Scratch Ticket Game. The following data shall be available to the TGA and SGA prior to the commencement of an Electronic Scratch Ticket Game and shall be maintained and be viewable both electronically and if requested, by printed report, upon demand:

- 3.3.1 A unique identifying Game Set serial number;
- 3.3.2 A description of the Game Set theme sufficient to categorize the Game Set relative to other Game Sets;
- 3.3.3 The number of total Scratch Tickets in the Game Set;
- 3.3.4 The number of Scratch Ticket Subsets to be created from the Game Set, and the number of tickets in each set;
- 3.3.5 The payout percentage of the entire Game Set;
- 3.3.6 The payout table for the Game Set and the number of Scratch Tickets at each level of the payout table;
- 3.3.7 The purchase price per ticket assigned to the Game Set;
- 3.3.8 The date and time that the game was stored on the Manufacturing Computer; and
- 3.3.9 Such further information as the SGA may reasonably require to assure the integrity and accuracy of the foregoing information.

3.4 Data Required To Be Available Following the Completion of a Scratch Ticket Game. Following the completion of an Electronic Scratch Ticket Game (i.e., upon the sale of all tickets in a Game Set or the withdrawal of the Set from play), the following data shall be available to the TGA and SGA and shall be maintained and viewable both electronically and if requested, by printed report, upon demand:

3.4.1 The Game Set and Game Subsets serial numbers;

3.4.2 The total number of Electronic Scratch Tickets unsold, if the game is removed from play;

3.4.3 The total number of Electronic Scratch Tickets at each prize or other game category level, that were dispensed by the Central Computer to Player Terminals, and the total number of tickets in each such category that were sold at each Terminal;

3.4.4 The time and date that each Subset was transmitted to the Central Computer;

3.4.5 The time and date that the game was completed or removed from play;

3.4.6 The final payout percentage of the game; and

3.4.7 The sequence in which each ticket was dispensed from each Subset.

3.5 Software Auditing Tool to Be Made Available. For auditing and security purposes, any Tribal Lottery System shall include and have available for the SGA and the TGA a secure software tool to audit each Game Set and Subset which provides the same data as set forth in Section 3.3 and 3.4, provided that such tool shall be used only during authorized audits of Tribal Lottery System games and operations, or in cases of player disputes, and shall not be used for any other purpose without the consent of the TGA and the SGA.

3.6 No Auditing of Game Sets While in Play; Dispute Process

3.6.1 No Audit of Set While in Play. In order to provide maximum game integrity, no audit or other determination of the status of any Game Set or any Subset, including but not limited to a determination of the prizes won or prizes remaining to be won, shall be conducted by anyone, including TGA and SGA personnel, while a Subset is in play without causing termination of the entire Game Set from which the Subset was derived as provided in Section 3.6.3.

3.6.2 Dispute Resolution: Impact on Game Set Play. In the event of a dispute by a player that cannot be resolved by ordinary means by Gaming Facility personnel as to the outcome, prize, wager made, or any other aspect of the player's participation in a Game Set being played, all relevant data shall be immediately collected, including but not limited to all meter readings, memory records, surveillance tapes, and any other reports or information regarding play at the Terminal for the play in dispute. Following the collection of all relevant data, the

TGA shall be notified and requested to make an evaluation of whether or not the dispute involves the integrity of the hardware or software being used and to try and resolve the dispute. A report of all disputes shall be maintained by the TGA. If the dispute is not resolved within 72 hours from the time of the complaint, the TGA shall immediately forward a report to the SGA detailing the nature of the dispute. In the event the dispute is resolved, the TGA is not obligated to report to the SGA, but shall make TGA reports available for review.

3.6.3 Termination of Game Set. Protection of game integrity, even if it requires the early withdrawal of a Game Set from play, shall be the primary goal of this Appendix. If resolution of a patron dispute requires access to data or records stored on any part of a system other than the Player Terminal involved in the dispute, and such access can only be accomplished through a means by which data would be revealed that could materially assist anyone in determining the likelihood of a particular ticket being drawn, other than information available to all patrons, the Game Set shall be terminated prior to accessing such data or records.

3.6.4 TGA/SGA Disputes. In the event there is a dispute between the TGA and SGA at any point in the above process, it shall be resolved in accordance with the dispute resolution process for such issues set forth in the compact.

### 3.7 Manufacturing Computer

3.7.1 Security from Alteration, Tampering, or Unauthorized Access. The Manufacturing Computer shall provide a physical and electronic means, by use of a password or other method approved by the TGA and SGA, for securing the Game Set against alteration, tampering, or unauthorized access. The Manufacturing Computer shall provide a means for terminating the Game Set if unopened ticket information from an operating Game Set or Subset has been accessed except as permitted in this Appendix. The Gaming Test Laboratory shall certify that such security system, and a means for monitoring its use in accordance with this Appendix, is included in the system before it may be authorized for use.

3.7.2 Primary Purpose; Separation. The Manufacturing Computer shall be dedicated primarily to those Tribal Electronic Scratch Ticket gaming system functions related to the creation of Scratch Ticket Game Sets and the creation, randomization, and transmittal to the Central Computer of Scratch Ticket Subsets. It shall also be capable of generating the data necessary to provide the reports required in this Appendix. Notwithstanding the foregoing, the Manufacturing Computer may also be used for other computer functions in the Tribal Lottery System or Electronic Accounting System if such use will not affect the integrity or outcome of any game.

3.7.3 Storage Medium; Backup. The Manufacturing Computer shall have a medium for securely storing Electronic Scratch Ticket Game Sets and Subsets on the Manufacturing Computer which shall be mirrored on line by a backup medium within the same cabinet or enclosure. The Manufacturing Computer shall also provide a means for storing on it duplicates of the Subsets already transmitted to the Central Computer so as to reflect, on an ongoing basis, changes in the transmitted Subsets as they occur. In addition, duplicates of the Sets and Subsets, as created and stored on the Manufacturing Computer, shall be stored in a

secure enclosure in the Gaming Facility separate from the Manufacturing Computer. All storage shall be through an error checking, nonvolatile physical medium, so that should the primary storage medium fail the functions of the Manufacturing Computer and the process of auditing those functions can continue with no critical data loss.

3.7.4 Randomization. The Manufacturing Computer shall utilize randomizing procedures in the creation of the subsets. The randomizing procedures shall be in accordance with Section 6.0 of this Appendix.

3.8 Central Computer Used in Connection With Electronic Scratch Ticket Game. The following requirements apply to any Central Computer used in connection with an Electronic Scratch Ticket Game.

3.8.1 Dispensing of Tickets. The Central Computer shall dispense, upon request from a Player Terminal, an electronic Scratch Ticket.

3.8.2 Order of Scratch Tickets. The Central Computer shall maintain Electronic Scratch Ticket Subsets in the order received from the Manufacturing Computer, and transmit them in that order to Player Terminals on demand, provided that not less than two (2) nor more than five (5) Subsets per Game Set shall be dispensed in accordance with a predetermined order for rotating the Subsets. Subsets from more than one Game Set may be stored on the Central Computer and made available for play at the same time.

3.8.3 Storage Medium; Backup. The Central Computer shall have a medium for storing Electronic Scratch Ticket Game Subsets and reflecting their current status of play, which shall be mirrored on line by a backup medium within the same cabinet or enclosure, and on another medium in the Manufacturing Computer. All storage shall be through an error checking, nonvolatile physical medium, so that should the primary storage medium fail, the functions of the Central Computer can continue with no critical data loss.

3.8.4 No Randomization Capability. The Central Computer shall have no randomization capability associated with its use in an Electronic Scratch Ticket game.

3.9 Player Terminals Used in Electronic Scratch Ticket Games. Player Terminals used in connection with Electronic Scratch Ticket Games shall conform to the requirements of Section 5.0.

#### SECTION 4. TRIBAL ON-LINE LOTTERY GAME SYSTEM

4.1 Description of System Operation. Tribal On-line Lottery Games shall be played in accordance with the following provisions:

4.1.1 A player initiates participation in On-line Lottery Games at a Player Terminal, using Game Play Credits from the Cashless Transaction System which are displayed on the terminal video monitor. Play may also be initiated through a Player Terminal dedicated to

On-line Lottery Games, or a clerk-operated Player Terminal. References herein to player activity and interaction with a Player Terminal in connection with an On-line Lottery Game shall also mean activity and interaction by a clerk on behalf of a player.

4.1.2 The Player Terminal video monitor displays one or more of the On-line Lottery games that are offered by the system, as well as other information such as graphics, game play, and outcome information, and entertainment effects, subject to the limitation in Sections 5.2.2 and 5.2.3. The player chooses a particular game by touching the screen, pressing a button, or performing some other form of interaction with the Player Terminal.

4.1.3 Following the player's choice of a game or games, the player selects numbers, symbols or other data to be matched in the game by pressing buttons or touching the video screen. The Player may also make such selections through the "quick pick" method. The player then uses Game Play Credits displayed on the terminal monitor to purchase one or more On-line Lottery Game Tickets representing such selections, for drawings to be held in the future.

4.1.4 Each On-line Lottery Game may offer more than one method of winning a prize, and each method may be represented by a separate wager, but each wager may not exceed \$5.00. Wagers are deducted from the Game Play Credits displayed on the Player Terminal.

4.1.5 The player's wager and selected numbers, symbols or other data to be matched in the game, along with information identifying the drawing(s) to which they apply, are provided to the player in some tangible means, such as by electronic encoding or printing on a paper, card or other medium. In addition, the numbers, symbols or other data selected may be displayed on the Player Terminal.

4.1.6 The player is then entered into one or more future On-line Lottery Games, which are conducted through drawings held on the Central Computer.

4.1.7 All drawings for any game are conducted within a period of 5 minutes or less, and all drawings for all games offered are held within that period. Drawings are held on a regularly scheduled basis and regardless of whether any player is enrolled in a particular On-line Lottery Game. Games take place no more frequently than thirty minutes apart, determined by when the first drawing in a game occurs. No more than five different On-line Lottery Games are offered at a time, unless the State increases the number of On-line Lottery Games it is now playing, thereby entitling the Tribe to increase the number of games it offers in accordance with the rules for doing so.

4.1.8 A Player Terminal may display a player's entry into an On-Line Lottery Game and the commencement of that game. The form of displaying information may be entertaining and at the discretion of the Tribe, except as limited in Sections 5.2.2 and 5.2.3. For example, the terminal may alert the player through means of a count-down that the drawing in which the player is entered is about to occur. Information regarding prizes that may be awarded for each game are made available to the player prior to commencement of the game.

4.1.9 Following each drawing, the results are displayed and made available in accordance with the rules set forth in Section 4.4. Players win if their selections match a required number of drawn numbers or symbols, in accordance with the predetermined and published rules for that particular game. Results and prizes are verified in accordance with the rules set forth in Section 4.4, and are paid in Game Play Credits except where, due to the size of the prize, the rules specify some other method of payment. Prizes may also be awarded in the form of merchandise or other valuable property.

4.1.10 Game Play Credits earned as prizes remain displayed and available for use in further play from that terminal. Game Play Credits also may be electronically transferred through the Cashless Transaction System, such as to a) a player's account in the Central Accounting System, b) a ticket or receipt printed by the Player Terminal, or c) a "smart" card or similar instrument. Once transferred, Game Play Credits may be a) used for further play on another terminal or b) redeemed for cash or cash equivalents through a cashier or other separate redemption system. Merchandise or other property won is collected in accordance with the rules of the game.

4.2 Central Computer Used for On-Line Lottery Game. The following requirements apply to any Central Computer used in connection with an On-line Lottery Game.

4.2.1 Introduction. A Central Computer may, in addition to being available for use in connection with Electronic Scratch Ticket Games, be utilized in the On-line Lottery Game. The rules in this Section 4.2 govern that activity.

4.2.2 Randomization Capability. The Central Computer shall have randomization capability associated with its use in an On-line Lottery Game only. All drawings shall be on a random basis, using the randomization requirements set forth in Section 6.0.

4.2.3 Independent Drawings; Schedule of Drawings. Drawings on the Central Computer shall occur independently of any Player Terminal activity and regardless of whether or not players are enrolled in a game. On-line Lottery Game drawings shall be held on a regularly scheduled basis in intervals of no less than 30 minutes. Once a drawing period begins, all drawings during that period must be drawn within 5 minutes. Each drawing shall have its own identifying serial number.

4.2.4 Limit on Number of On-Line Lottery Games. The Tribe may have no more than five (5) On-Line Lottery Games in play at one time. Such games may be offered on more than one system within the facility. The number of games offered may be increased if, and by the same number, the State Lottery increases the number of On-line Lottery Games it offers.

4.3 Player Terminals Used for On-Line Games. Player Terminals used in connection with On-line Lottery Games shall conform to the requirements of Section 5.0. The following provisions shall also be applicable:

4.3.1 A Player Terminal may, in addition to being available for use in connection with Electronic Scratch Ticket Games, be used to play On-Line Lottery Games. The

On-line Lottery Game may also be played from a Player Terminal dedicated to selling On-Line lottery tickets or by a clerk operating a Player Terminal for such purposes. References to Player Terminals herein shall include such dedicated and clerk-operated terminals.

4.3.2 The Player Terminal shall enable a player to select numbers, symbols or other data, through touching the screen or pressing one or more buttons on the terminal. The player may also ask for a "quick pick" selection via the use of a random number generator located in the Player Terminal and used solely for the On-line Lottery Games, provided that such random number generator shall meet the criteria set forth in Section 6.0.

4.3.3 The player's wager and selected numbers, symbols or other data, along with information identifying the drawing(s) to which they apply, shall be provided to the player through the Player Terminal in some tangible means using electronic encoding or printing on paper, card or other medium. Such information may also be displayed on the screen for review by the player.

4.4 Verification and Viewing Requirements for On-Line Game Results. The results of each On-line drawing on a Central Computer shall be available for display on a Player Terminal on demand by players enrolled in such games, and may be made available on one or more scoreboards, video screens or other electronic display devices sufficiently visible to enable players and other observers, including those not at Player Terminals, to view the outcome of the game. Printed result reports shall be made available in accordance with Section 4.5.

4.5 On-Line Lottery Game Records. The following records with respect to each On-Line Lottery Game shall be maintained and be viewable both electronically and if requested, by printed report, upon demand: The outcome of each drawing including all numbers drawn, the sequence of drawing, prizes available, prizes won (whether or not redeemed), and related information. Such reports shall be made available in the casino for player reference for up to 30 days following the close of any drawing period.

4.6 Redemption Period. Prizes may be redeemed by players for a period of no less than 48 hours following the drawing in any On-line Lottery Game.

4.7 Other Game Rules. The specific rules and prize structures for each On-line Lottery Game may vary, and shall be made available to players prior to making any wagers on that game. The rules shall indicate when, in relation to the commencement of the first drawing in a game, no further wagers on that game may be made. Each On-line Lottery Game may offer more than one method of winning a prize, and each method may be represented by a separate wager, but each wager may not exceed \$5.00.

4.8 Prizes; Jackpots. Every On-line Lottery Game must have at least one "jackpot" level prize paid, when won, from a lottery prize pool into which a percentage of each player's wagers, as set forth in the rules for that game, is placed and in which the Tribe shall have no interest. The prize pool may be seeded from time to time by promotional payments or interest-free loans from the Tribe. Jackpot prizes not won in a particular game shall be rolled forward into a future game in accordance with rules for disposing of such prizes. Rollover funds may

replace the need for seeding a pool if the amount of such rollover funds exceeds the minimum prize available under the rules of that game. The player pool fund may not be used for any purpose other than payment of the jackpot prize.

## SECTION 5. PLAYER TERMINALS

All Player Terminals shall conform at a minimum to the requirements of this Section 5.0.

Under no circumstances shall the Player Terminal electronic accounting meters be capable of being automatically reset or cleared, whether due to an error in any aspect of its or a game's operation or otherwise. All meter readings must be recorded and dated in the presence of a TGA inspector both before and after an electronic accounting meter is cleared.

5.8 Display of Information. At a minimum, each Player Terminal shall have the following game information available for display on the video screen and/or displayed on the Player Terminal itself, in a location conspicuous to the player:

The video screen or other means for displaying game rules, outcomes and other game information shall be kept under a glass or other transparent substance which places a barrier between the player and the actual surface of the display. At no time may stickers or other removable media be placed on the Player Terminal's face for purposes of displaying rules or payouts.

5.10 Hardware Switches Prohibited. No hardware switches may be installed on a Player Terminal or any associated equipment which may affect the outcome or pay out of any game for which the Player Terminal is used. Switches may be installed to control the ergonomics of the Player Terminal.

5.11 Networking Requirements. Where the Tribe's Tribal Lottery System or components are linked with one another in a local network for progressive jackpot, function sharing, aggregate prizes or other purposes, communication protocols must be used which ensure that erroneous data or signals will not adversely affect the operations of any such system or components. No class III game or gaming system in which any part or component is located outside the Tribe's gaming facility shall be deemed approved as part of the approval of this Appendix. Any proposal for such game or gaming system, including the proposed rules, manner of regulation, and manner of play, shall require submission to, and approval by, the SGA and the Governor.

5.12 Prohibited Software Functions. Player Terminals shall not have software or hardware that determines the outcome of any Electronic Scratch Ticket Game. Nothing herein is intended to prohibit the Player Terminal from creating the appropriate Scratch Ticket and On-Line Game graphics and animation to correspond to, display or represent, in an entertaining manner, the outcome. In addition, Player Terminals shall not have any software that:

5.12.1 Determines which Scratch Ticket outcome from within the Scratch Ticket Subset is transmitted to the Player Terminal; or

5.12.2 Alters the amount of the payout of the Electronic Scratch Ticket as received from the Central Computer.

## SECTION 6. STANDARDS FOR RANDOM NUMBER GENERATORS USED WITHIN THE TRIBAL LOTTERY SYSTEM

Any random number generation used in connection with the Tribal Lottery System must be by use of a microprocessor and random number generation program that meets the following random selection tests:

6.1 Chi-Square Analysis. Each card, symbol, number, or stop position which is wholly or partially determinative of the outcome of the game satisfies the 99 percent confidence limit using the standard chi-square analysis.

6.2 Runs Test. Each card, symbol, number, or stop position does not as a significant statistic produce predictable patterns of game elements or occurrences. Each card symbol, number, or stop position will be considered random if it meets the 99 percent confidence level with regard to the "runs test" or any generally accepted pattern testing statistic.

6.3 Correlation Analysis. Each card, symbol, number, or stop position is independently chosen without regard to any other card, symbol, number or stop position, drawn within that game play. Each card, symbol, number, or stop position is considered random if it meets the 99 percent confidence level using standard correlation analysis.

6.4 Serial Correlation Analysis. Each card, symbol, number, or stop position is independently chosen without reference to the same card, number, or stop position in the previous game. Each card, number, or stop position is considered random if it met the 99 percent confidence level using standard serial correlation analysis.

## SECTION 7. ELECTRONIC ACCOUNTING SYSTEM

One or more Electronic Accounting Systems shall be required to perform reporting and other functions in support of the Tribal Lottery Game activities described in this Appendix. These systems may communicate with the other computers described in this document utilizing the protocol standards set forth in Section 9.3. The Electronic Accounting System shall not interfere with the outcome of any gaming functions.

7.1 Revenue Reporting Requirements. The following reporting capabilities must be provided by the Electronic Accounting System:

7.1.1 Player Terminal Revenue Report. A revenue report for each Player Terminal must be made and maintained on a confidential and secure basis which, at a minimum of a daily and monthly basis, provides:

- a. The total amount won per prize level for each Electronic Scratch Ticket Game and the total amount won per On-Line Lottery Game; and

## SECTION 9. GENERAL SECURITY REQUIREMENTS

The following requirements apply to all components of the Tribal Lottery System, including the Manufacturing Computer, the Central Computer, the Electronic Accounting System and Player Terminals.

9.1 Separation. The Manufacturing Computer, Central Computer and Player Terminals in each Tribal Lottery System shall be physically and operationally independent from one another except as specified otherwise in this Appendix, such as for communications, storage and security monitoring, including the routing of communications among system components, provided such routing does not affect the integrity of the communications or the outcome of any game.

9.2 Security. The Manufacturing Computer and Central Computer must be in a locked, secure enclosure with both camera coverage and key controls in place.

9.3 Secure Connections; DES or Equivalent Data Encryption. Connections between all components of the Tribal Lottery System shall only be through the use of secure communication protocols which are designed to prevent unauthorized access or tampering, employing Data Encryption Standards (DES) or equivalent encryption with changeable seeds or algorithms.

9.4 Surge Protection; Uninterrupted Power System (UPS). Each component of the Tribal Lottery System shall at all times be connected to a device which provides surge protection on any line that feeds it and, with the exception of Player Terminals, shall be connected to a temporary power source, such as a UPS, to provide means for an orderly shutdown of the computer in the event of a main power system failure.

9.5 Identification Plates. A non-removable plate shall be affixed to the exterior of each Manufacturing Computer, Central Computer and Player Terminal which shall have written upon it the computer or Terminal's serial number, model number, name of the manufacturer and a unique location or inventory number.

9.6 Locked Areas. The Manufacturing and Central Computers shall at a minimum be enclosed in a locked and monitored cabinet. Access shall be through the use of keys secured as provided in Section 9.7. The Player Terminal shall have at a minimum the following separately locked areas, which shall be the only means of accessing any non-public part of the terminal: (a) a locked and monitored cabinet door; and (b) a locked microprocessor compartment.

9.7 Key Control Standards. Keys which provide access to any locked compartment, component or area of a Tribal Lottery System shall be maintained and used in accordance with the key control standards enacted in the Tribe's statement of minimum internal controls.

9.8 MEAL Cards. For all entries into the locked areas of the Manufacturing Computer, Central Computer, or any Player Terminal, a written record must be made on a machine entry authorization log (MEAL) indicating at least the following: the time, date, and purpose of entering said locked area(s), and the name and employee number (or other personal identification specific to such person) of the person doing so.

9.9 Access Control. In addition to maintenance of MEAL cards, the Manufacturing and Central Computers and Player Terminals shall record and generate a report on any access including date, time of access, person (by employee number) accessing the computer, and the reason for access.

9.10 Cameras. Any Manufacturing Computer and storage related thereto, Central Computer and storage related thereto, and any Player Terminal, shall be monitored by camera and video recordings maintained thereof, in compliance with the requirements of the Compact.

9.11 Verification Data and Functions. In addition to its functions in operating a connection with the Electronic Scratch Ticket and On-line Lottery Games, the Central Computer may be used to record the data used to verify game play and to configure and perform security checks on Player Terminals, provided such functions do not affect the security, integrity or outcome of such games.

## SECTION 10. TESTING OF TRIBAL LOTTERY SYSTEMS TO ENSURE INTEGRITY

10.1 Designation of Independent Gaming Test Laboratory. The SGA shall select one or more gaming test laboratories (hereinafter "Gaming Test Laboratory") to perform the testing required in this Appendix. Any Gaming Test Laboratory selected shall have demonstrated it is competent and qualified to conduct scientific tests and evaluations of electronic gaming systems and to otherwise perform the functions set forth in this compact. A Tribe may request additional laboratories be placed on the SGA's list of Gaming Test Laboratories which request shall not be reasonably withheld. Any laboratory that is currently licensed and approved by any state, province or country to test or evaluate electronic gaming devices or systems shall be placed on the list if after review by the SGA it is found to be so qualified and otherwise meets the background and licensing requirements applicable to such laboratories under Washington State Law. For any testing required under this Appendix, the Tribe shall choose a laboratory from those Gaming Test Laboratories on said SGA list. If, at any time, any of the Gaming Test

Laboratory's licenses from any jurisdiction are suspended, terminated or subject to disciplinary actions, the Gaming Test Laboratories may be removed from the SGA's list. If removed from the SGA list, the Tribe shall choose a new Gaming Test Laboratory as provided herein.

10.2 Testing and Certification of Tribal Lottery Systems. No Tribal Lottery System may be offered for play unless:

10.2.1 Such Tribal Lottery System is approved by the SGA as provided in Section 10.3.

10.2.2 The Tribal Lottery System prototype thereof, has been tested and certified by the Gaming Test Laboratory as meeting the requirements specified by this Appendix;

10.2.3 If not already provided to the Gaming Test Laboratory, the Tribe shall provide, or require that the manufacturer provide to the Gaming Test Laboratory two (2) copies of Tribal Lottery System illustrations, schematics, block diagrams, circuit analyses, technical and operation manuals, program object and source codes, hexadecimal dumps (the compiled computer program represented in base 16 format), and any other information requested by the Gaming Test Laboratory. The Tribe shall make all such materials available to the SGA upon request;

10.2.4 If requested by the Gaming Test Laboratory, the Tribe shall require the Manufacturer to transport not more than two (2) working models of the Tribal Lottery System to a location designated by the laboratory for testing, examination or analysis. Neither the State nor the Gaming Test Laboratory shall be liable for any costs associated with the transportation, testing, examination, or analysis, including any damage to the components of the Tribal Lottery System. If requested by the Gaming Test Laboratory, the Tribe shall require the Manufacturer to provide specialized equipment or the services of an independent technical expert to assist with the testing, examination and analysis.

10.2.5 At the conclusion of each test, the Gaming Test Laboratory shall provide to the SGA and the TGA a report that contains findings, conclusions and a certification that the Tribal Lottery System conforms or fails to conform to the requirements contained in this compact. If the Gaming Test Laboratory determines that the device fails to conform to such requirements or technical standards, and if modifications can be made which would bring the Tribal Lottery System into compliance, the report may contain recommendations for such modifications. The State is not bound by the findings, conclusions or certifications of the Gaming Test Laboratory for purposes of its enforcement of the provisions of this compact.

10.3 Approval by the SGA. Upon receiving the certification from the test laboratory, the SGA shall either approve or disapprove the Tribal Lottery System or component thereof based on the technical criteria contained in this Appendix, within sixty (60) days of receipt of the certification as to any new Tribal Lottery System or component thereof, and within fifteen (15) days of the receipt of the certification as to any modification to a system which has already been approved by the SGA. The certification shall be deemed approved if no action is taken thereon by the SGA within said sixty (60) or fifteen (15) day period, as may be applicable. Any disputes

arising out of the approval process in this Section 10.3 shall be resolved in accordance with the binding arbitration provisions of the Compact.

10.4 Modifications of Approved Lottery Systems; Emergency Certifications. No modification to any Tribal Lottery System may be made after testing, certification and approval of a Tribal Lottery System without certification of the modification by the Gaming Test Laboratory under Section 10.2 and approval thereof by the SGA under Section 10.3. In situations where immediate modifications are necessary to preserve the integrity of a Tribal Lottery System which has been operating pursuant to an approval obtained under section 10.3, the Gaming Test Laboratory may issue an emergency certification of the modification and that it must be made immediately to preserve the integrity of the Tribal Lottery System. Such emergency certifications shall be deemed to be temporarily approved by the SGA and remain in effect until the SGA takes action on the certification, which shall be governed by section 10.3, provided that no emergency certification shall be valid or effective until actually approved by the SGA if it was not received by the SGA within 5 days after being issued.

10.5 Manufacturer's Conformity to Technical Standards. Before any component of a Tribal Lottery System may be placed into operation, the Tribe shall first have obtained and submitted to the SGA a written Certification from the manufacturer that upon installation, each such component: (a) conforms to the specifications of the Tribal Lottery System as certified by the Gaming Test Laboratory; and (b) operates and plays in accordance with the requirements of this Compact. Authorization to operate a Tribal Lottery System requires that it operate and play in accordance with the requirements specified by this Appendix; provided that while the failure of such Tribal Lottery System to comply with such requirements will suffice as a grounds to enjoin or otherwise terminate said Tribal Lottery System's operation, such non-compliance will not be deemed a violation of this Compact as long as the Tribe has relied in good faith on the certification of the manufacturer.

10.6 Payment of Gaming Test Laboratory Fees. The Tribe shall be responsible for the payment of all Gaming Test Laboratory fees and costs in connection with the duties described in this compact. The Tribe shall provide copies of all Gaming Test Laboratory invoices and payments by the Tribe to the SGA, which shall have the right to audit such fees. In order to assure independence of the Gaming Test Laboratory, any Gaming Test Laboratory Payment delinquency by the Tribe of fees or costs due to the Gaming Test Laboratory may be grounds by the SGA for rejecting such laboratory's reports or certification.

10.7 Gaming Test Laboratory Duty of Loyalty. The Tribe shall inform the Gaming Test Laboratory in writing that, irrespective of the source of payment of its fees, the Gaming Test Laboratory's duty of loyalty and reporting requirements run equally to the State and the Tribe.

10.8 Random Inspections. The Tribe shall allow the SGA to inspect any components of the Tribal Lottery System for the purposes of confirming that such component is operating in accordance with the requirements of this compact and that such component is identical to that tested by an Independent Test Laboratory. Inspections shall be pursuant to the Facility access rules set forth in the Compact.

10.9 SGA to be Supplied Model of Player Terminal and System. If not already provided to the SGA, the SGA shall, upon request, be supplied a Player Terminal Central Computer and Manufacturing Computer to be held at the SGA's offices for purposes of determining compliance with these technical requirements.

## SECTION 11. ALTERNATIVE STANDARDS PERMITTED

Notwithstanding anything in this Appendix to the contrary, the SGA and Tribe may agree on alternative provisions to those set forth herein, provided such provisions adequately preserve and protect the integrity and security of any game or gaming system or component, or accounting or auditing system or component, affected thereby.

## SECTION 12. TRIBAL LOTTERY SYSTEM TERMINAL ALLOCATIONS

12.1 Initial Allocation. During the first year of operations under this Appendix, the Tribe shall be entitled to an allocation and operation of 425 Player Terminals ("Allocation").

12.2 Compliance Requirement. Following one year of operation, the SGA shall conduct a review of the Tribal Lottery System operation to determine whether the requirements set forth in Sections 12.2.1 through 12.2.5 have been satisfied. If the operation is in compliance, the Tribe's Allocation shall be increased to 675 Player Terminals. The following requirements shall be met:

12.2.1 There have been no violations of the provisions of the Compact that have resulted in sanctions imposed by the Federal District Court;

12.2.2 There have been no violations of the Compact which are substantial or would be deemed material due to repetition;

12.2.3 There have been no material adverse impacts on the public safety or welfare of the surrounding communities in the nature of criminal activities directly related to the operations of the Class III gaming facility;

12.2.4 Any changes in the operating requirements which are necessary to accommodate the increase in terminals have been implemented; and

12.2.5 All fees due from Tribe under Section 13 have been paid, or in the alternative either a memorandum of understanding with the SGA ("MOU") has been entered into or an arbitration has been demanded, has not been resolved, and the Tribe has complied with the provisions of Section 13.5.

12.3 Compliance Review. Upon written request by the Tribe to review its compliance with the requirements set forth in Section 12.2, the SGA shall determine within 45 days if there has been such compliance, and shall notify the Tribe of its determination. If no notice of determination is provided to the Tribe within 10 days after due, the Tribe shall be deemed to be

in compliance with Section 12.2 provisions. If the State Gaming Agency determines that the Class III operation has not satisfied such requirements, any resulting dispute will be resolved through the binding dispute resolution procedures set forth in this Compact.

12.4 Further Conditions. Provided the requirements of Sections 12.2.1 through 12.2.5 have been met and so determined by the SGA, or have been deemed to be so determined, the Tribe may increase the number of Player Terminals it is authorized to operate above the number of Terminals in its Allocation, up to a maximum of 1500 Player Terminals per facility, by acquiring allocation rights from any tribe which has entered into a compact authorizing operation of a Tribal Lottery System consistent with this Appendix ("Eligible Tribe"), or may transfer some or all of its Allocated Player Terminals to an Eligible Tribe, subject to the following conditions:

12.4.1 The Tribe agrees that its acquisitions and transfers of Player Terminals shall be made only pursuant to a plan approved by no less than a majority of the tribes that were Eligible Tribes at the time such plan was adopted. Development and approval of the plan shall follow notice to all Eligible Tribes and an opportunity to participate in creating the plan. Once adopted or amended, the plan shall stay in effect without change for at least one year, even if additional tribes become Eligible Tribes thereafter, but such additional tribes may participate in the plan. Changes in the plan shall not affect the validity or terms of prior transactions conducted between or among tribes under the plan. The State shall have no responsibility whatsoever with respect to the plan, including but not limited to responsibility for providing notices to tribes, determining if the plan has been agreed to properly, monitoring its rules or implementation, or any other aspect of such plan, the entire responsibility for which shall be upon the Eligible Tribes.

12.4.2 The Tribe may transfer up to its full Allocation of Player Terminals to any other Eligible Tribe provided that it waives the right to operate that number of Player Terminals which it has so transferred.

12.4.3 The Tribe may not operate any Player Terminals acquired from any other Tribe's allocation until 30 days has elapsed following delivery to the State of a complete set of the documents which govern the transfer.

12.5 Other Circumstances. Notwithstanding anything in this Section 12 to the contrary, in the event the State agrees (or is required by law or a court ruling to agree) to permit an allocation of Player Terminals to a tribe which is greater, or is on terms which are more favorable, than as set forth herein, the Tribe shall be entitled to such greater Allocation or more favorable terms.

## SECTION 13. STATE REGULATORY FEES

13.1 Payment of Outstanding Fees. All regulatory fees which have been billed by the SGA to the Tribe, covering services through the most recent billing period, shall be paid prior to the Tribe being authorized to operate the Tribal Lottery Systems set forth in this Appendix. This requirement shall be deemed to have been met with respect to any fees as to which either a) a MOU has been entered into regarding such fees and the Tribe has paid all fees due through the most recent billing period as stated above, or b) an arbitration has been demanded and has not been resolved and the Tribe has made the payments and deposits required under Section 13.5.

13.2 Set-up Fee. As part of the recoverable cost of regulating Tribal Lottery Systems under this Appendix, the State shall be entitled to the reasonable cost of initially setting up such regulation ("Set-up Fee"), which shall not exceed for all Eligible Tribes, in the aggregate, the sum of \$250,000. The Tribe acknowledges that the SGA's ability to regulate Tribal Lottery Systems, and thus the implementation of this Appendix, is contingent on the receipt by the SGA of an advance deposit to be credited against the Set-up Fee in the full amount of \$250,000 ("Set-up Deposit"). The Tribe agrees to cooperate and participate on a fair and pro rata basis (i.e., dividing the entire amount due by the number of Eligible Tribes at the time such determination is made) in any agreement among the Eligible Tribes with respect to the Set-up Deposit, which shall be paid to the SGA on the following minimum terms:

13.2.1 \$85,000 shall be received by the SGA within three months following the effective date of this Appendix;

13.2.2 \$85,000, plus any fees not yet paid under Section 13.2.1 provisions, shall be received by the SGA no later than six months following the effective date of this Appendix; and,

13.2.3 the remaining \$80,000 and any other amounts not yet paid under Sections 13.2.1 and 13.2.2 shall be received by the SGA prior to the Tribe's operation of the Tribal Lottery System.

13.3 Payment of Tribe's Share of Set-up Fee. As a condition to the Tribe's operation of the Tribal Lottery System under this Appendix, the Tribe shall deposit with the SGA its pro-rata share of the Set-up Deposit if the actual costs comprising the Set-up Fee have not yet been determined, or if so, of the Set-up Fee. In the event the Tribe pays the SGA more than its pro-rata share of the Set-up Deposit or, after the actual costs are determined, the Set-up Fee, it shall be reimbursed by way of future Regulatory Fee credits based on the collection by the SGA of additional pro-rata payments from other Eligible Tribes, the addition of such tribes and resulting recalculation of the pro-rata amount per tribe, or both, as the case may be. The pro-rata amount per tribe shall be redetermined by the SGA at least once a year to take into account the collection of further tribal pro-rata payments or the addition of new Eligible Tribes, and further credits due as a result thereof shall be applied to the next billing period.

13.4 Annual Regulatory Fees. The Tribe agrees to pay its share of the SGA's actual costs which are reasonably incurred in order to commence and carry out its regulatory functions with respect to the Tribe's gaming under this Appendix, through the payment of an annual Regulatory Fee. For the sake of convenience and efficiency, the Regulatory Fee shall also include any actual costs which were incurred by the SGA in connection with the Tribe's class III gaming other than those authorized under this Appendix, and shall supercede provisions in the Compact with respect to the imposition of such fees therein. "Actual costs" as used herein shall mean those costs that were reasonably incurred in order to protect the honesty and integrity of the gaming being operated by Tribe under, and to monitor the Tribe's compliance with, the Compact. Costs incurred in common for more than one tribe shall be allocated among such tribes. For purposes of this section 13, prior years' actual costs shall be based on the actual costs incurred for the twelve months ending September 30. Regulatory Fees shall be paid as follows:

13.4.1 First Year Regulatory Fees. With respect to the Regulatory Fee for the first calendar year or portion thereof of Class III gaming, commencing with the date of this Appendix, the SGA shall make a good faith estimate of the cost of regulating the Tribe's activities. The Tribe's Regulatory Fee for the first year shall be subject to adjustment as provided in Section 13.4.2 and 13.4.3. The total Regulatory Fee due from the Tribe for the first year, shall be due and payable in accordance with Section 13.4.3.

13.4.2 First Year Regulatory Fees for Tribal Lottery System. Upon commencement of operations of a Tribal Lottery System, the SGA shall make a good faith estimate of the cost of regulating the Tribe's activities under this Appendix for the remainder of the calendar year and shall adjust the Tribe's Regulatory Fee for that year established under 13.4.1 or 13.4.3 accordingly.

13.4.3 Subsequent Years. Notwithstanding anything in the Compact to the contrary, the Regulatory Fees for all class III activities under the Compact, including those applicable to the activities described in this Appendix (except for the first year fees set by estimate as provided in Sections 13.4.1 and 13.4.2, shall be set by determining the actual cost of regulating all of Tribe's class III activities in the preceding year and setting and adjusting the coming year's Regulatory Fee based thereon. If the previous year's Regulatory Fee exceeded the SGA's actual cost of regulation, any excess which was paid will be applied as a credit to the payment of Regulatory Fees in such next year. In the alternative, the Regulatory Fee may be set by agreement between the Tribe and the SGA reached through good faith negotiations commenced at the request of the Tribe, the terms of which may include a fixed amount without subsequent adjustment if both parties, at their sole discretion, agree.

13.4.4 Billing and Payment. The SGA shall notify the Tribe of the forthcoming Regulatory Fee at least 45 days prior to its becoming due. Other than as may be provided in connection with a negotiated fee, Regulatory Fees may be paid for an entire year in advance of the date on which the billing year commences, or within 45 days of being notified of the forthcoming year's Regulatory Fee, whichever last occurs, in which event the Tribe shall receive a 10% discount. Regulatory Fees which are so paid and discounted shall not be subject to any retroactive adjustment based on the prior year's estimate having been over the actual costs of regulation. Except for a negotiated fee that provides otherwise, or payment in advance,

Regulatory Fees shall be paid in no more than 12 equal monthly installments, each of which shall be due on the first day of each month, which monthly payments shall commence on the first day of the first month of the billing year, or within 45 days following notification of the amount of the forthcoming year's Regulatory Fee, whichever is later.

13.5 Regulatory Fee Disputes. If the Tribe disputes the State's determination of the Regulatory Fee, the Tribe shall pay no less than the amount of the fee which is not in dispute to the SGA when due and deposit the disputed amount into an escrow account that is restricted until such dispute is resolved. The dispute will be resolved pursuant to the binding arbitration provisions of this Compact. If the Tribe fails to make the required payment to the SGA or deposit into escrow, the State may pursue any of the remedies set forth in the Compact for the Tribe's breach thereof.

#### SECTION 14. OTHER PAYMENTS

In order to provide for impacts to local community services that may arise as a result of the gaming authorized under this Appendix, the following payments shall be made from revenues derived from Tribal Lottery System activities on the terms and conditions set forth below:

14.1 Impact Costs. Up to one-half of one percent (0.5%) of the net win derived from Tribal Lottery System activities, determined on an annual basis, shall be added to any amounts payable and distributable from other class III activities under the Compact in order to meet community impacts, to the extent such Compact amounts are insufficient to meet actual and demonstrated impact costs;

14.2 Charitable Donations. One-half of one percent (0.5%) of the net win derived from Tribal Lottery System activities, determined on an annual basis, shall be donated to non-tribal bona fide nonprofit and charitable organizations in the State of Washington; and

14.3 Community Impacts. Up to one-half of one percent (0.5%) of the net win derived from the Tribal Lottery System, determined on an annual basis, determined by deducting from one percent of said net win the amounts actually paid under Sections 14.1 and 14.2 in said year, shall be applied to Tribal governmental programs which have an impact on the community by assisting the Tribe and its members in become self-sufficient, such as programs concerned with Tribal law enforcement, education, housing, health, elderly care, safety, and gaming regulation.

14.4 Payment. The payments set forth in Section 14.1 through 14.3 shall be subject to the following:

14.4.1 As used in this Section 14 and applied to revenues from the Tribal Lottery System, the term "net win" shall mean the total amount of Tribal Lottery System revenue after prizes or winnings have been paid out (i.e., the difference between the amount wagered or played and the amounts repaid to winners), less any cost of developing, licensing, or otherwise obtaining the use of the Tribal Lottery System.

14.4.2 Because IGRA requires that the Tribe be the primary beneficiary of gaming revenues, no donation shall be due under Section 14.2 in any Tribal fiscal year in which the Tribe has not made a profit from its class III operation, taking into account the effect of such donation if made. As used herein, the term "profit" shall mean net profits associated with the operation of all class III gaming by the Tribe, as determined under GAAP, but without deduction for depreciation;

14.4.3 The Tribe and the State acknowledge that the Tribal Lottery System is a new and untested gaming system, which will have substantial start-up costs and uncertainties associated with it. In order to provide a means for adjusting for such uncertainties and expenses, the amounts due from Tribe under Sections 14.1, 14.2 and 14.3 shall be reduced by one-half as to the first year's revenues and payments, and by one-quarter as to the second year's revenues and payments.

## SECTION 15. MORATORIUM

15.1 Three year moratorium. The Tribe agrees to seek no amendment to the compact with respect to the subject matter of gambling devices for a period of three (3) years from the date of execution of this Amendment by the Governor of the State of Washington, except in the following circumstances:

15.1.1 Federal or State law is amended to authorize any gambling devices now prohibited in the State and not governed by this Appendix;

15.1.2 A State or Federal Court within the State of Washington or a Federal Court interpreting the laws of the State of Washington issues a final and unappealable decision permitting participation by any person, organization or entity to use a gambling device that was not deemed by the State to be authorized at the time this Compact amendment was executed, or is not authorized by this Compact; or

15.1.3 Any other tribe located in the State of Washington obtains through a Compact, or Compact amendment, or any person or entity (including the State Lottery) is licensed to use or places in use, any type or number of Class III - type gambling device or equipment which is materially different from or allows a greater quantity per location than that which is authorized by this Compact. In such event the Tribe shall be entitled to use such equipment or increase their allocation to a like number, subject to good faith negotiations with the State regarding the use and regulation of such equipment, which negotiations shall be subject to the dispute resolution provisions of this Compact.

15.2 Technical Changes. Nothing in this Section shall prohibit the Tribe or State from seeking changes of the technical provisions of this Appendix if the necessity or desirability for such changes becomes apparent in the development, testing, production, marketing, or use of the system. Neither party shall unreasonably deny such requests.

15.3 Amendments. Nothing in this Section shall diminish the right of the either party to amend the terms and conditions in this Compact by mutual agreement, as otherwise provided in this Compact.
