<b>Who Proposed the Rule Change?</b>	
Washington State Gambling Commission Staff	
<b>Background</b>	
<p>The Washington State Gambling Commission has been working to replace the current legacy IT systems since March 2023 in an effort to modernize technology. As we approach implementation of the new IT systems, commission staff has identified several chapters of WAC Title 230 that will need to be updated. These rule changes will correspond to the new capabilities of the new IT system and allow for more efficient processes for staff, licensees, and applicants. For example, the new IT systems will allow for electronic submission of documents, electronic notification, and electronic service of documents.</p> <p>These rule changes will likely affect several different WAC chapters, including but not limited to permitting and licensing rules (230-03), fees (230-05), rules for all licensees (230-06), fund-raising event rules (230-09), bingo rules (230-10), and hearing rules (230-17).</p> <p><b>At the May 2024 Commission meeting, Commissioners approved initial rulemaking to address necessary changes associated with IT modernization.</b></p>
