This provision shall not be applicable to employees engaged in activities related to bingo, pull tabs and/or punchboards.

2. **Eligibility Determination.**

The Tribe will submit the proposed transition date and proposed licensing and certification process plan to the State Gaming Agency at least ninety (90) days prior to transitioning from certification to eligibility or vice versa. This will provide the State Gaming Agency time to reprogram their systems and properly train staff in the new procedures.

A Memorandum of Understanding will be agreed upon by both the Tribe and State Gaming Agency that includes at a minimum, transition date, fees, the submittal process for eligibility determinations or state certification, annual review, and that all applications must be submitted online. The Parties may agree to change functions and responsibilities related to certification and eligibility provided any resulting agreement in a Memorandum of Understanding does not conflict with state or tribal law or alter or remove a function or responsibility required by the Compact. Should a dispute arise, the dispute will be resolved in accordance with Section XII.

2. [Original Compact language for Certification remains the same but is renumbered as Section V. 2. A through N]

3. Eligibility

A. Procedures for Tribal License Applications and State Certification. The Tribal Gaming Agency shall be primarily responsible for the conduct of background investigations for all applicants for employee gaming licenses. The State Gaming Agency shall be primarily responsible for the conduct of background investigations for all applicants for gaming financier, manufacturer and/or supplier certification. Each applicant for a Tribal gaming license including employee, financier, manufacturer and/or supplier of gaming goods or services, shall submit the completed application along with the required information and fees to the Tribal Gaming Agency. In addition, each financier, manufacturer and/or supplier of gaming goods or services shall apply for State gaming certification and shall submit the completed application along with the required information and fees to the State Gaming Agency. Each completed application shall include the applicant's fingerprint card(s), current photograph, and any other information required by the Tribal Gaming Agency. For applicants who are business entities, these provisions shall also apply to principals of the entity and their spouses.

B. Background Investigations of Gaming Employee Applicants.

1. Prior to hiring or licensing a prospective gaming employee, the Tribal Gaming Agency shall obtain sufficient information and identification from the applicant on forms to be furnished by the Tribal Gaming Agency to permit a thorough background investigation, together with such fees as may be required by the Tribe. The information obtained shall include, at a minimum, name (including any aliases), current address, date and place of birth, criminal arrest and conviction record, two sets of fingerprints, sex, height, weight, and two current photographs. When the Tribal Gaming Agency has completed its initial investigation of the gaming employee applicant, and has issued a temporary license, it will, within five (5) business days, forward the application, background results, a current photograph, and the fee required to the State Gaming Agency for a final criminal history record and non-conviction data review, as authorized under RCW 9.46.210(4) and as defined in RCW 10.97.030. The State Gaming Agency shall complete the review and thereafter notify the Tribal Gaming Agency that either: (1) the criminal history and non-conviction data review has revealed no information which would make the applicant ineligible for employment pursuant to Section V 3 (E)(6) of this Compact; or (2) the criminal history and non-conviction data review has revealed that the applicant is ineligible for employment pursuant to Section V 3 (E) of this Compact. An applicant who has been determined ineligible for licensing by the State Gaming Agency after criminal history and non-

conviction data review will not be licensed by the Tribal Gaming Agency except in conformity with Section V 3 (E) of this Compact. When the Tribal Gaming Agency has completed its investigation, it will forward its investigative report and the FBI fingerprint check results to the State Gaming Agency. Upon completion of the necessary background investigation, and receipt of the State Gaming Agency notification of eligibility, the Tribal Gaming Agency shall either issue an employee gaming license to the applicant, or deny the application based on criteria set forth in this Compact, Tribal law and regulations. All background materials compiled by the State Gaming Agency in connection with the background investigation of any applicant for tribal licensing or state eligibility verification shall be available to the Tribal Gaming Agency at the State Gaming Agency office upon request, subject to any constraints imposed by the State Gaming Agency's accreditation as a law enforcement agency and status as a member of Law Enforcement Intelligence Unit.

The gaming operation shall not hire or continue to employ a gaming employee, and shall terminate any probationary gaming employee, if the Tribal Gaming Agency determines that the applicant or employee:

- a. Has been convicted of any offense related to gambling, or any felony (excluding juvenile convictions) relating to fraud, misrepresentation, deception or theft, within the past ten (10) years. Nothing herein shall be interpreted to prevent the Tribal Gaming Agency and/or the State Gaming Agency from considering such juvenile convictions in a suitability determination, nor shall be interpreted to excuse the applicant of its obligation to disclose juvenile convictions or arrests;
 - b. Has provided materially false statements or information on his or her employment application or misstated or otherwise attempted to mislead the Tribe or the State with respect to any material fact contained in the employment application;
 - c. Is a member or associate of organized crime or is of notorious or unsavory reputation; or
 - d. Has a reputation, habits or associations that might pose a threat to the public interest or to the effective regulation and control of gaming, or create or enhance the dangers of unsuitable, unfair, or illegal practices, methods and activities in the conduct of gaming or the carrying on of the Tribal and financial arrangements incidental thereto. It is intended that applicants and employees have the continuing burden to satisfy all doubts as to their fitness. Where doubt remains, an applicant or employee is not entitled to be hired or to remain employed.
2. Additionally, the Tribal Gaming Agency shall not grant an application for a license unless it is satisfied that:
- a. The applicant is of good character, honesty and integrity;

- b. The applicant's prior activities, criminal record (if any), reputation, habits, and associations do not pose a threat to the public interest of the Tribe or the State or the effective regulation and control of gaming pursuant to this Compact, or create or enhance the dangers of unsuitable, unfair or illegal practices, methods, and activities in the conduct of gaming or the carrying on of the Tribal and financial arrangements incidental thereto;
 - c. In all other respects, the applicant is qualified to be licensed or found suitable with the provisions and policies set forth in this Compact; and
 - d. The applicant has adequate Tribal probity, competence, and experience in gaming.

- C. Background Investigations of Gaming Employees. The Tribe and the State Gaming Agency shall retain the right to conduct such additional background investigations of any gaming employee at any time during the term of that person's employment. At any time, any gaming employee who does not establish that he or she satisfies all of the criteria set forth above shall be dismissed.

- D. State Gaming Agency Certification of Financiers, Manufacturers, and/or Suppliers of Gaming Goods and Services. Upon completion of the necessary background investigation, the State Gaming Agency shall either issue a gaming certificate to the financier, manufacturer, and/or supplier of gaming services or deny the application based on criteria set forth in this Compact or State law and regulations. The Tribal Gaming Agency shall forthwith provide copies of all gaming licenses issued and gaming license applications denied to the State Gaming Agency. The State Gaming Agency shall similarly forthwith provide copies of all gaming certificates issued and gaming certification applications denied to the Tribal Gaming Agency. If the application for certification is denied, a statement setting forth the grounds for denial shall be forwarded to the applicant in accordance with the provisions of Chapter 230-17 WAC or as hereafter amended, with a copy forwarded to the Tribal Gaming Agency. The State shall not apply to any applicant for certification required under this Compact a more rigorous standard than that actually applied in the approval of State licenses or certification in non-Tribal gaming activities regulated by the State.

- E. Grounds for Revocation, Suspension, or Denial of State Certification. The State Gaming Agency may revoke, suspend or deny a State certification under the provisions of RCW 9.46.075, and rules promulgated thereunder, for any reason or reasons it deems to be in the public interest. In addition, these reasons shall include, but shall not be limited to when an applicant or holder of certification or principal of an entity:
 - 1. Is determined to be a person who because of prior activities, criminal record, if any, or reputation, habits and associations poses a threat to the effective regulation of gaming or creates or enhances the chances of unfair or illegal practices, methods and activities being used in the conduct of the

- gaming activities permitted pursuant to this Compact;
2. Has violated, failed or refused to comply with the provisions, requirements, conditions, limitations or duties imposed by any provision of a Tribal-State Compact.
 3. Has failed to provide any information reasonably required to investigate the application for state certification or to reveal any fact which the applicant or holder knows or should reasonably know or is material to such application, or has furnished any information which is untrue or misleading in connection with such application.
 4. Has had a Tribal or State gaming license revoked or denied during the twelve (12) months prior to the date the State Gaming Agency received the application; is currently on probation imposed by any jurisdiction; or has demonstrated a willful disregard or failed to comply with the requirements of any gaming regulatory authority in any jurisdiction, including offenses that could subject the individual or entity to suspension, revocation or forfeiture of any gaming license. For the purpose of reviewing any application for a state certification or for considering the denial, suspension or revocation of any state certification, the State Gaming Agency may consider any prior criminal conduct or current probationary status of the applicant or holder of certification and the provisions of RCW 9.95.240 and of chapter 9.96A RCW shall not apply to such cases.
 5. Notwithstanding anything herein to the contrary, it shall not be grounds for suspension, revocation or denial for the applicant to have been involved in the operation of Class III gaming activities in the absence of a Tribal/State Compact. Nothing herein prevents the State from suspending, revoking or denying the certification to such an applicant on other grounds.
 6. The State Gaming Agency will consult with the Tribal Gaming Agency prior to denying certification to such an applicant who does not meet the criteria for certification. For Tribal members who are applicants for Class III licensing, the State and Tribal Gaming Agencies may waive, by mutual agreement, through a conditional Tribal license, certain criteria for such tribal members if the waiver does not pose an appreciable risk to the public or the lawful operation of the gaming facilities. If the Tribe can show extenuating circumstances why a tribal member who does not meet all criteria should be further considered for a conditional Tribal license, the Tribal and State Gaming Agencies may agree to a temporary Tribal license, based on specific conditions and a further detailed review of the applicant. Additional fees may be required to maintain a conditional Tribal license, which the Tribe agrees to pay.

- F. Right to Hearing for Revocation, Suspension, or Denial of State Certification. Any applicant for State certification or holder of a State certification shall be entitled to notice and a full hearing on any action by the State Gaming Agency which may result in the revocation, suspension, or denial of State certification.

The notice and hearing will be conducted in accordance with the procedures contained in the applicable provisions of Chapter 9.46 RCW, Chapter 34.05 RCW and Chapter 230-17 WAC. The State may, at its discretion, defer such actions to the Tribal Gaming Agency. Nothing herein shall prevent the Tribal Gaming Agency from invoking its own disciplinary procedures and proceedings at any time. The Tribe shall have the right to appear and present argument and/or evidence in any hearings held pursuant to this section. Nothing herein shall be interpreted to preclude the Tribe from invoking the dispute resolution provisions of this Compact to challenge a State Gaming Agency decision to revoke, suspend or deny State Certification.

- G. Denial, Suspension, or Revocation of Licenses Issued by Tribal Gaming Agency. The denial, suspension, or revocation of any Tribal gaming license by the Tribal Gaming Agency shall be in accordance with Tribal ordinances and regulations governing such procedures and the grounds for such actions shall not be less stringent than those of Section V 3 (E)(1)-(6). The Tribe shall notify the State Gaming Agency of any determination under this paragraph. In the event the State disagrees with the Tribe's licensing determination, the State may submit the matter to dispute resolution pursuant to the provisions of this Compact.
- H. Duration and Renewal of Tribal Issued Licenses, Eligibility Determinations, and State Certifications. Any Tribal license, eligibility determination, or State certification shall be effective for one year from the date of issuance unless, in the case of a license or certification, the holder is otherwise revoked or suspended. A licensed or certified employee or entity that has applied for renewal may continue to be employed under the expired Tribal license, eligibility determination, or State certification until the Tribal Gaming Agency or State Gaming Agency takes action on the renewal application or the license or certification is suspended or revoked. Applicants seeking renewal of a license, eligibility determination, or certification shall provide information updating originally submitted information as requested, on the appropriate renewal forms, but shall not be required to re-submit historical data already available to the Tribal Gaming Agency or the State Gaming Agency. Additional background investigation shall be required if new information concerning the applicant's continuing suitability or eligibility for a Tribal license, or a State certification is discovered by either the Tribal or State Gaming Commission. The State shall forward a copy of any updated information to the Tribe, subject to any constraints imposed by the State Gaming Agency's accreditation as a law enforcement agency and status as a member of Law Enforcement Intelligence Unit. Should any renewal application be denied, the State shall send to the Tribe a copy of the statement sent to the applicant setting forth the grounds for the non-renewal of the certification. In the event the State issues a letter of ineligibility for a renewal applicant, the Tribe may either withdraw the application or submit the matter to dispute resolution. Should a Tribal licensee become ineligible during the twelve (12) month licensure period, as determined from a review by the State, the Tribe may withdraw the application or submit the matter to dispute resolution.

- I. Identification Cards. The Tribal Gaming Agency shall require all gaming employees to wear, in plain view, identification cards issued by the Tribal Gaming Agency which include photo, first name and an identification number unique to the individual Tribal license and/or certification which shall include a Tribal seal or signature, and a date of expiration.
- J. Exchange of Tribal Licensing and State Certification Information. In an effort to ensure a qualified work force in all areas of Class III gaming, and in all types of gambling authorized under the laws of the State, upon completion of any administrative action or legal proceeding against a Tribal license or State certification, the final disposition shall be forwarded to either the Tribal Gaming Agency or the State Gaming Agency and maintained as part of both agencies' permanent licensing records.
- K. Fees for State Certification. The fees for initial and the renewal of State certification shall be determined pursuant to WAC 230-05-030 for service suppliers, manufacturers and distributors. Provided, should actual costs incurred by the State Gaming Agency exceed the stated fees, those costs will be assessed to the applicants during the investigation process. Payment in full to the State Gaming Agency will be required prior to beginning the investigation for the issuance of State certification. Notwithstanding any other provision of this Compact, the State Gaming Agency may modify any of the above fees consistent with like fees charged by the State Gaming Agency for non-Compact gaming elsewhere in the State by giving the Tribe sixty (60) days notice of intent to modify fees. Should a dispute arise under this section it shall be resolved pursuant to Section XII of this Compact. The fees for State eligibility verification are set forth in Section XIII.(E).

The MOU(s) will prioritize the disbursements to mitigate off-reservation impacts and may include enforcement protocol or other similar agreements. The MOU(s) shall also provide that the committee may adjust annually the funds distributed to meet the impacts associated with Class III gaming. In the event of a dispute that cannot be resolved by agreement of the parties, either the State Gaming Agency or the Tribe may seek resolution through the arbitration provisions of Section XII.C of this Compact. The determination of the arbitrator shall be binding on all parties, including local government agencies. The MOU terms as determined by the arbitrator shall be promptly executed by the parties, and the funds disbursed. The Parties agree to work together in good faith to share information related to problem gambling best practices and to meet promptly on the request of either party to discuss issues related to problem gambling.

12. The existing text of Section XIII is labeled subsection A, and new Section B is added to Section XIII to read as follows:

- B The Tribal Gaming Agency and the State Gaming Agency shall enter into a Memorandum of Understanding, which may be amended from time to time regarding fees and submittal process for eligibility determinations. Further, in the event that the State enters into or amends a compact with another tribe and such agreement gives such tribe any other competitive advantage by means of an item not listed above, then this Compact shall be renegotiated and amended to incorporate that item to maintain competitive equality. To the extent the tribe receiving the competitive advantage is located East of the Cascade Mountains, the Tribe shall demonstrate the competitive advantage has resulted in adverse economic impacts to the Tribe's Class III operations before the Compact is renegotiated and amended.
