RE: Dragon Bonus Wager (Submission #3157 ETG's)

Dear Ms. Zarach,

Thank you for requesting approval to market "Dragon Bonus wager (ETG)" to Washington State Tribal casinos. This wager can be used in configurations that include a live dealer or in fully automated mode with virtual dealer and cards.

Dragon bonus players can win if their selected hand for the Dragon bonus wager is a "natural" or is a non-natural winner (the higher the margin of victory, the higher the payout).

Based on our review of the documentation we received from Light and Wonder, the Washington State Gambling Commission will approve the game under the conditions listed below:

Tribal Casinos

- The game shall be played and operated under the terms and conditions set forth under the "Dragon Bonus- Rules of Play" you provided.
- Each Tribal Gaming Operation must request and obtain approval from their respective Tribal Gaming Agencies (TGA).
- Before TGA allows your game to operate, they will seek concurrence from our agency as well.
- No modifications may be made to allow the game to be played online or via the internet in Washington State.

In addition to your approved rules, the Tribal submission to us must include all supplemental information required by Tribal-State Compact Appendix A, Section 18.

- Manufacturers and distributors of graphic layouts and/or any other equipment associated with the game must be certified by the state and licensed by the Tribe prior to the sale of the equipment.

Furthermore, any modifications to this game may affect this approval. Contact the Commission should you contemplate modifications. If you have any questions on Tribal implementation, please contact Kelly Main at (206) 423-4260.

Thank you for your cooperation and willingness to comply with the gambling laws of Washington State.

Sincerely,

Signed by:
