**RE: Bump 50:50 Electronic Raffle System - GET Submission #3175  
V. 2024.06.12.8**

Dear Ms. Kein,

Thank you for requesting approval of the upgrade to the Bump 50:50 Electronic Raffle System. We have completed our review.

The Bump 50:50 Electronic Raffle System is approved for use in Washington State. The approval is contingent on the following requirements.

Manufacturer Requirements:

- Notify the WSGC of any changes made to the firewall configuration (in relation to the electronic raffle system network) or equipment prior to those changes taking place to identify if further testing or review is required.

Requirements for Electronic Raffle Licensees:

- Ensure a unique PIN is added to the RSU's upon initial login in the event that one is lost or stolen.
- Notify the WSGC of any changes made to the firewall configuration (in relation to the electronic raffle system network) or equipment prior to those changes taking place to identify if further testing or review is required.

Any modifications made to the Bump 50:50 Electronic Raffle System must be submitted to us for additional testing and review. We reserve the right to investigate and reevaluate this equipment if we determine that such a review is necessary to ensure compliance with applicable rules or laws in Washington.

Thank you for your cooperation during this process. We appreciate your desire to comply with our regulations. If you have any questions regarding this matter, please contact me at (509) 481-1573.

Sincerely,

Jim Nicks
