Re: Milk Jug Toss

Dear Mr. Coppola:

Thank you for submitting the Milk Jug Toss amusement game to us for review. Special Agents Karen Rea and Sonja Dolson have completed their review.

It is my understanding the game plays as follows:

This game is similar to the already approved ball toss games. Players toss balls into the milk jug or surrounding holes to win tickets. If a player gets all of the balls into the milk jug they win the super bonus.

The Milk Jug Toss game meets the definition of an amusement game (RCW 9.46.0201) and is approved for use as a Group 9 Ball Roll (WAC 230-13-055) amusement game in Washington State.

Please be advised that any modifications to the Milk Jug Toss amusement game software or associated equipment must be provided to us for additional testing and review. In addition, the approval of this equipment may be rescinded at any time if problems are found by the Commission or changes to the Washington Administrative Code (WAC) impact this approval. If you have any questions or concerns, please contact Sonja Dolson at (253) 671-6283.

Sincerely,

A handwritten signature in cursive script that reads "Mark Harris".
