Re: Monkey Mania Amusement Game

Dear Mr. Berger,

Thank you for submitting the Monkey Mania amusement game, manufactured by Coastal Amusements Inc., to us for review. We have completed our review.

It is my understanding the game plays as follows:

Monkey Mania is a 1 or 2 player video based amusement/redemption water race game. The player(s) must shoot a stream of water at the target as it lights. As the race proceeds, the lights flash faster and faster. The player must shoot the lighted target "in rhythm" to keep the monkey rowing down river. The better the player shoots the target "in rhythm" the faster the monkey will row. The first monkey to cross the finish line is the winner. Players receive tickets at the end of the game.

The Monkey Mania game meets the definition of an amusement game (RCW 9.46.0201) and is approved for use as a Group 5 Hand/Eye Coordination (WAC 230-13- 035) amusement game in Washington State.

Please be advised that any modifications to the Monkey Mania amusement game software or associated equipment must be provided to us for additional testing and review. In addition, amusement games operated in Washington must not have settings that allow the operator to control the outcome of the game (auto percentaging). The approval of this equipment may be rescinded at any time if problems are found by the Commission or changes to the Washington Administrative Code (WAC) impact this approval. If you have any questions or concerns, please contact Sonja Dolson at (253) 671-6283.

Sincerely,

Mark Harris
Assistant Director
Field Operations Division

MONKEY MANIA

1 or 2 player video water race game

32" LCD monitor with sharp graphics and entertaining sound package

Shoot the water at the lighted targets and race your monkey up the river!
