Re: Plants vs. Zombies Whacker Amusement Game

Dear Mr. Berger,

Thank you for submitting the Plants v. Zombies Whacker amusement game, manufactured by Sega Amusements, to us for review. We have completed our review.

It is my understanding the game plays as follows:

Players use a hammer to try to hit the zombies as they pop up on the game play area. Players receive tickets based on the number of zombies they hit.

The Plants vs. Zombies Whacker game meets the definition of an amusement game (RCW 9.46.0201) and is approved for use as a Group 5 Hand/Eye Coordination (WAC 230-13-035) amusement game in Washington State.

Please be advised that any modifications to the Plants vs. Zombies Whacker amusement game software or associated equipment must be provided to us for additional testing and review. In addition, amusement games operated in Washington must not have settings that allow the operator to control the outcome of the game (auto percentaging). The approval of this equipment may be rescinded at any time if problems are found by the Commission or changes to the Washington Administrative Code (WAC) impact this approval. If you have any questions or concerns, please contact Sonja Dolson at (253) 671-6283.

Sincerely,

A handwritten signature in cursive script that reads "Mark Harris".
