Dear Mr. Sheehan,

Thank you for requesting approval of i-Score Roulette 2.1.0 to be used with the Cammegh Mercury 360 roulette wheel. We have completed our review.

- The i-Score Roulette PC should not be physically accessible to any unauthorized person or the public;
- All unused ports should be secured against unauthorized access; and
- The auto login feature should be enabled on the i-Score PC.

Tribal Casino Implementation:

- Ensure casino internal controls and game rules are revised to include this new equipment and procedures, and they are approved by the Tribal Gaming Agency and concurred with by the Washington State Gambling Commission (WSGC).

The electronic signatures for i-Score Roulette are as follows:
