Ref: Organization #20-00173; Case Report #2018-00815

The Commission reviewed your organization's pre-shuffled card manufacturing process in Blue Springs, Missouri in July 2018. Our examination included an in-depth review of your pre-shuffled card manufacturing process and its compliance with the Revised Code of Washington (RCW) and Washington Administrative Code (WAC).

It appears your manufacturing and packaging of pre-shuffled cards is compliant with WACs 230-06-053 and 230-16-158. You may now proceed with the manufacturing, selling, and distributing pre-shuffled cards to customers in Washington.

Modifications to your pre-shuffled card manufacturing process must be submitted to us for review. We reserve the right to investigate and reevaluate your process if we determine that such a review is necessary to ensure compliance with applicable rules or laws in Washington.

If you have any questions, please feel free to contact Special Agent Tyson Wilson at Tyson.Wilson@wsgc.wa.gov or (360) 486-3592.
