- (a) Authorized nonhouse-banked card games without collection of a fee to play; and
- (b) Raffles with gross gambling receipts up to two thousand dollars during the license year; and
- (c) Bingo with gross gambling receipts up to twenty-five thousand dollars during the license year; and
- (d) Amusement games, owned and operated by the organization, with gross gambling receipts up to seven thousand five hundred dollars during the license year.

(2) You must apply for a separate license if any of the gambling activities in subsection (1)(b) through (d) of this section you operate will exceed the gross gambling receipt limits specified during your license year.

WAC 230-05-104 Defining "base license fee." (1) "Base license fee" is the fee you pay us when you:

- (a) Apply for an organization license or permit; or
- (b) Renew your organization's license or annual permit.

(2) "Base license fee" is the minimum annual license fee a licensed organization or permit holder will pay for operating an authorized activity.

WAC 230-05-106 Defining "maximum annual license fee." "Maximum annual license fee" is the most you will pay to operate an authorized activity for the license year, which includes the:

- (1) Base license fee; and
- (2) Quarterly license fees.

WAC 230-05-122 Calculating quarterly license fees. (1) The quarterly license fee is calculated based on the gross gambling receipts from the previous quarter as reported on your quarterly license report.

(2) Each license year, the quarterly license fees will be offset by the base license fee. (For example, if your base license fee is sixty-five dollars and your quarterly license fee is forty-five dollars for the first quarter, no additional amount is due for the first quarter. You would offset any future quarterly license fees by the remaining twenty dollars of your base license fee.)

Licensed organizations must submit quarterly license reports. Licensed organizations must also submit quarterly license fees to us, if applicable, for each licensed gambling activity beginning with the first quarter of their license year.
