FINAL ORDER ON PETITION FOR  
REVIEW

THIS MATTER came before the undersigned Commissioners of the Washington State Gambling Commission ("Commission") at the Commission's regularly scheduled meeting on January 16, 2014 in Tumwater, Washington on Licensee Terri M. Mullins' Petition for Review. Ms. Mullins appeared on her own behalf. Assistant Attorney General Greg Rosen, Senior Counsel, represented the Washington State Gambling Commission's agency staff. The Commission had before it the record of the prior proceedings relating to this matter, as well as additional pleadings prepared for this petition for review. The Commission also considered the United State Bankruptcy Court Chapter 13 Plan, dated January 15, 2014, submitted by Ms. Mullins at the hearing.

**I. FINDINGS OF FACTS AND CONCLUSIONS OF LAW**

Following review of the record and consideration of the parties' oral argument, the Commission finds that the record in this matter is sufficient to support the following:

1. The Commission AFFIRMS in their entirety the Administrative Law Judge's previously entered Findings of Fact set forth in Paragraphs Nos. 1 through 22 of the Initial Order.
2. On January 15, 2014, Ms. Mullins entered into a new Chapter 13 Plan whereby she will pay \$325 a month for 36 months on her outstanding debts, including the traffic tickets and court fines being collected by AllianceOne Receiveables Management as special unsecured class

debt. (Chapter 13 Bankruptcy Plan) Three of the unsecured class debts involve fines for Ms. Mullins' past criminal driving offenses. The amount of these outstanding debts is \$1196.79. (Exhibit 4).

3. The Commission AFFIRMS the Administrative Law Judge's previously entered Conclusions of Law set forth in Paragraph Nos. 1 through 10.

4. The Commission VACATES the Administrative Law Judge's previously entered Conclusions of Law set forth in Paragraph Nos. 11 and 12.

5. The Commission finds that that Commission's Agency Staff has proven by a preponderance of the evidence that Ms. Mullins' outstanding debts pose a threat to the effective regulation of gambling, or increases the likelihood of unfair or illegal practices, methods, and activities in the conduct of gambling activities per WAC 230-03-085(8).

6. The Commission finds that Ms. Mullins has proven with clear and convincing evidence that she should continue to be licensed to conduct gambling activities while paying off her outstanding debts.

## **II. FINAL ORDER**

Based on the above findings of fact and conclusions of Law, the Commission MODIFIES the Administrative Law Judge's Initial Order and ORDERS as follows:

1. Ms. Mullins may remain licensed to conduct gambling activities while paying off her outstanding debts through her Chapter 13 Bankruptcy Plan.

2. By July 1, 2014, Ms. Mullins shall make at least four payments of \$325 (or \$1300 in total) towards her Chapter 13 Bankruptcy Plan. This total reflects the approximate amount of outstanding fines for Ms. Mullins' past criminal driving offenses.

3. Ms. Mullins shall violate no gambling related statutes or regulations from the date of this order to July 1, 2014.

4. If Ms. Mullins timely complies with the above ordered conditions, then this Order will be deemed complete.

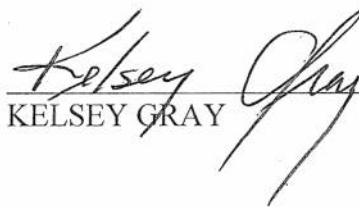

5. If Ms. Mullins fails to comply with any of the above conditions, it may result in this matter being brought back before the Commission for further proceedings, possible reconsideration of the Commission's Order, and the Commission's issuance of an amended Final Order On Petition For Review that revokes Ms. Mullins's license to conduct gambling activities in the State of Washington.

DATED this 22th day of January, 2014.
