Who Proposed the Rule Change?	
Washington State Gambling Commission Staff	
Background	
<p>Staff suggests amendment of WAC 230-06-046, or the creation of a new rule, related to additional requirements for licensed business premises of nonhouse-banked, Class F, and house-banked card rooms. The rule currently establishes conditions under which card rooms cannot be adjacent to each other. Staff believes that there is a need to further clarify under which limited conditions nonhouse-banked, Class F, and house-banked card rooms can be adjacent to each other.</p> <p>Attachments:</p> <ul style="list-style-type: none">• WAC 230-06-046	
Staff Recommendation	
Staff recommends initiating rule making to clarify further the limited conditions permitting nonhouse-banked, Class F, and house-banked card rooms to be adjacent to each other.
