These funds shall be proportionately shared by the such impacted jurisdictions based upon evidence of such impacts as demonstrated by each jurisdiction. The contribution shall be made annually upon the anniversary of the opening of the initial Class III facility, in the manner and method first mutually agreed upon between the Tribe and the jurisdictions involved in writing.

Section 15(d)(ii)(aa) is hereby amended to read and state as follows:

(aa) ~~the laws of the State~~ State or Federal laws are amended, expanding gaming beyond that which is now allowed under the terms of this Compact;

In the event of a dispute hereunder, this matter shall also be handled in accordance with the provisions of Compact Section 12(c) as other disputes arising under this Section 15 and other Sections elsewhere in this Compact.

1.1.10 Except as otherwise provided herein, meanings

ascribed to terms used in the Horse Racing Law and the Commission Regulations are hereby adopted by reference wherever such terms are used in this Compact.

1.2 APPLICABILITY OF LAWS. Wagering at the Tulalip tribal satellite wagering facility will be conducted in accordance with this Compact, the Indian Gaming Regulatory Act, the Interstate Horseracing Act, any ordinances or regulations adopted by the Tribe, and those Washington Horse Racing Laws as made applicable herein. Nothing herein shall otherwise be deemed a prohibition upon or limitation upon tribal operation of a satellite wagering facility by the Tribe or on behalf of the Tribe.

1.3 REGULATION OF SATELLITE (OFF-TRACK) WAGERING.

1.3.1 Wagering Permitted. The Tribe is entitled to operate a single satellite wagering facility pursuant to this Compact subject to the following terms and conditions:

a. Unless permitted in accordance with subparagraph c., below, the Tribe may conduct satellite wagering only on events simulcast from any Washington State track (whether of a live race, or an authorized simulcast of an out-of-state signal) on the same terms and conditions permitted any other satellite wagering facility in the State without limitation on the distance such tribal facility is from a live race meet, provided, the Tribe is entitled to receive simulcast signals from each Washington State track on terms at least as advantageous as those made available by such track to any other satellite facility operated at a track holding a Class A or Class B Washington Horseracing Commission license or at any other facility operated or leased by an entity holding such a license. Negotiations conducted between the Tribe and the track shall cover areas including, but not limited to, the following: percent of handle received; equipment required and who provides such equipment; who provides wagering employees; and how and on what schedule funds will be transferred. The track shall provide at no expense to the Tribe and upon request all information deemed necessary by the Tribe relating to the areas covered by the negotiations. All wagers accepted at the tribal facility on such events shall be made into the parimutuel pool of the Washington State track which provides the simulcast signal. Nothing herein shall prohibit assessment by the Tribe of taxes, fees or other charges for wagering conducted at the tribal facility; nor shall the State or any of its political subdivisions be authorized to impose any taxes, fees, charges or other assessments upon the Tribe or upon any person or entity authorized to engage in such activities by the Tribe on the activities regulated hereunder, other than those generally applicable to the parimutuel pool; provided such taxes, fees,

charges or other assessments generally applicable to the parimutuel pool are consistent with the holding of Cabazon Band of Mission Indians, et al. v. Wilson, et al., 1994 WL 541987 (9th CIR. [CAL.]), _____ F.3d _____ (1994) and 25 USC Section 2710(d)(4).

b. In the event the Tribe believes it is not offered simulcast signals from a Washington State track on terms at least as advantageous as those made available by such track to the other satellite wagering operators as set forth in subparagraph a., above, the Tribe may request a formal determination from the Commission. The sole issues in such determination will be whether the Washington State track provides terms to those other satellite wagering operators which are more advantageous than those offered to the Tribe and, if so, what terms are less advantageous to the Tribe. Provided, the Commission shall conduct a hearing and render a decision within ninety (90) days after receipt of the request for a determination from the Tribe; and further provided, that if the Commission decision is not rendered within that time, the Tribe is entitled to conduct satellite wagering in accordance with the provisions of subparagraph c., below. If the Commission determines that the terms offered Tribe are less advantageous, the Washington State track shall have thirty (30) days to offer terms that are at least as advantageous to the Tribe, or the Tribe will be entitled to conduct satellite wagering in accordance with subparagraph c., below. If the Tribe disputes the determination of the Commission regarding whether the terms offered to the Tribe are less advantageous, the Tribe may request dispute resolution under Section 12(c) of this Compact.

c. If, following an adverse determination from the Commission, the Washington State track does not offer the terms identified by the Commission in accordance with subparagraph b., above, the Tribe shall be entitled to negotiate for and receive simulcast signals from out-of-state races on such terms and conditions as it may obtain. Acceptance of signals from out-of-state tracks shall be made in compliance with the Interstate Horseracing Act, 15 USC §3001, et seq. Nothing in this Appendix C shall be deemed to limit acceptance of satellite wagers to the extent permitted under the Interstate Horseracing Act. Consent of the Commission, as required under the Interstate Horseracing Act shall not be unreasonably withheld. For disputes concerning whether the Commission has unreasonably withheld its consent, the Tribe may request dispute resolution under Section 12(c) of this Compact.

1.3.2 Hours of Operation. The wagering authorized in the Tribe's satellite wagering facility shall be conducted within the one hundred forty (140) hours per week, averaged annually, as authorized for Class III gaming under Section 3(h) of this Compact. Provided, however, when a track providing a simulcast to the tribal

facility operates outside the Tribe's regularly scheduled hours of operation, then the satellite wagering portion of the Class III facility authorized under this Compact may be open to the public during the time the sending track is open to the general public.

1.3.3 Approval of Facility. Subject to approval of the physical adequacy of the facility, Tulalip Tribal Lands are hereby approved as a location for the conduct of satellite wagering as permitted under this Compact. The right of Tribe to conduct satellite wagering from a facility at such location shall not be affected by its distance from any live race meet being broadcast to such facility, and statutes and regulations imposing distance limitations on the location of satellite wagering facilities relative to live race meets, including but not limited to RCW 67.16.200(c), shall not be applicable to Tribe.

1.3.4 Wagering Rules. All of the rules set forth in Chapter 260-48 WAC ("Mutuels") are hereby incorporated by reference as being applicable to any satellite wagering facility authorized hereunder, subject to the following qualifications:

1.3.4.1 References therein to "racing associations" shall mean the Tribe.

1.3.4.2 References therein to "enclosure of any race track" shall mean the satellite wagering facilities authorized hereunder.

1.3.4.3 Parimutuel machines shall be locked at the time and by the same means as are applicable to parimutuel machines at other satellite wagering facilities within the State or as otherwise required by the parimutuel pool operator at the host race track or other authorized source, if different therefrom, but in all cases prior to the start of any race for which bets are being accepted.

1.3.4.4 References to "the manager of the parimutuel department" shall refer to any person appointed to manage the satellite wagering facility authorized under this Compact.

1.3.4.5 The Tribe may accept exotic bets, including but not limited to daily doubles, quinellas, exactas, wagering on "short fields," daily triples, "Pick n," trifectas, and other exotic bets to the extent made available through parimutuel pools by the parimutuel pool operator.

1.3.5 Other Facilities Within Area. In the event the Commission considers allocation of exclusive or limited areas in which satellite wagering facilities may be located, other than the Tribal facility authorized herein, the Commission shall give their

good faith consideration to designating the Tulalip satellite wagering facility as one of those exclusive or limited area satellite wagering sites. Notwithstanding the foregoing, the conduct of satellite wagering at any other facility, including a live racing facility, in the State shall not affect the right of the Tribe to operate a satellite wagering facility at any time.

1.3.6 Amounts Received by Tribe. The Tribe may receive from parimutuel wagers made at its satellite wagering facility such amounts as may be negotiated between it and the operator of the parimutuel pool (track).

1.3.7 Security Control. The Tribe shall maintain such security controls over any satellite wagering facility authorized hereunder as would be required by the Commission for a comparable facility off the Reservation. The Tribe shall remove, deny access to, eject or exclude persons whose presence within such facility would be contrary to the interests of the Tribe or the State in operating an honest, legitimate facility or in meeting the goals and objectives of this Compact or the Act.

1.3.8 Accounting Practices and Audits. Any satellite wagering facility authorized hereunder shall maintain its books and records in accordance with generally accepted accounting principles and such like rules and regulations, if any, as are applied to satellite wagering facilities in the State.
